Practical Guide To Japans Overseas Development Assistance Program And Getting In On It

Dennis T. Yasutomo

Practical Guide To Japans Overseas Development Assistance Program And Getting In On It:

Japan's Aid Edward Feasel, 2014-09-19 In the twentieth century Japan emerged as one of the world's leading economic powers rising from wartime destruction to a leading economic engine in world markets Japan's economic aid policy beginning with war reparations following its defeat in World War II became a vehicle to help achieve this economic success As the country continued to flourish economic aid also became a means of expanding the country's influence in an era of increasing globalization providing an alternative strategy for helping developing nations escape the traps of poverty a strategy drawn from its own experience of reemergence And as we stand at the beginning of a new century Japanese aid policy may also serve as a potential model for other nations who are on the cusp of entering high income status and the group of elite world donors a model that in many ways lies in contrast to policies espoused by other advanced Western nations The book *Japan's Aid* examines the strengths and weaknesses of Japanese aid policy in all of these dimensions in fostering economic growth in both its own economic success story and in the numerous countries to which it has served as the single largest bilateral donor over many years and as a policy that other nations might emulate Through a combination of insightful case studies and rigorous econometric investigation the book presents a comprehensive examination of the pros and cons of Japan's aid

Japan's Official Development Assistance White Paper ,2013 Youth and Skills

, 2012-01-01 Many young people around the world especially the disadvantaged are leaving school without the skills they need to thrive in society and find decent jobs As well as thwarting young people's hopes these education failures are jeopardizing equitable economic growth and social cohesion and preventing many countries from reaping the potential benefits of their growing youth populations The 2012 Education for All Global Monitoring Report examines how skills development programmes can be improved to boost young people's opportunities for decent jobs and better lives Publisher's description

Human Rights and Foreign Aid

Bethany Barratt, 2007-12-19 By trying to alleviate poverty abroad foreign development assistance tries to meet among other things basic human needs which some schools of thought classify as basic human rights However because development abroad has often been treated as a tool for the pursuit of donor interests rather than as an end to itself it often ends up not only neglecting basic human rights but making them worse Bethany Barratt develops this argument by presenting a systematic external examination of the internal documentation of aid rationale in three major donor countries Britain Canada and Australia The book sets the discussion of these documents in the context of the foreign policy process and structure of each donor and contrasts it with the results of statistical analyses of key factors in aid It shows that different criteria are applied to the various categories of recipient states resulting in an inconsistent treatment of recipient rights as an aid criterion While the book demonstrates important gulfs between rhetoric and reality between elected policymakers and aid implementing agencies and between the donors themselves it comes to relatively optimistic conclusions about the general direction of foreign assistance and its increasingly pure focus on poverty alleviation

This substantive and important book will be invaluable to students researchers and policymakers in the fields of politics economics and development *The Literature of the Nonprofit Sector* ,1989 The first volume was a cumulative volume which contained the Foundation Center collection Subsequent editions include all the Foundation Center acquisitions acquired annually as well as other current literature **International Trade Reporter** ,1994 *The Manner of Giving* Dennis T. Yasutomo,1986 **Resources in Education** ,1993 Export Today ,1991 *Bulletin of the Public Affairs Information Service* Public Affairs Information Service,1990 *Yearbook of International Organizations 2005/2006* ,2005-06 For the Yearbook of International Organizations the most up to date and comprehensive reference to international organizations the UIA has selected the most important 31 086 organizations from its extensive database of current and previous organizations Yearbook provides profiles of 5 546 intergovernmental and 25 540 international non governmental organizations active in nearly 300 countries and territories in the world today Organization descriptions listed in Volume 1 are numbered sequentially to facilitate quick and easy cross referencing from the other Yearbook Volumes Users can refer to Volumes 2 and 3 to locate organizations by region or subject respectively and comprehensive indexes are included Naturally the high standards of accuracy consistency and detail set by previous editions of the Yearbook of International Organizations have been maintained for this edition **BUSINESS AMERICA: PROTECTING INTELLECTUAL PROPERTY** ,1991 *ACFOA Development Dossier* ,1982 **Australian National Bibliography** ,1996-05 **Carrots, Sticks, and Ethnic Conflict** Milton J. Esman,Ronald J. Herring,2001-04-03 Investigates whether international development assistance helps or aggravates ethnic strife **Resources in Education** ,1996 Encyclopedia of Associations International Thomson Gale,2002-11 Data Base Directory ,1989 Grant\$ for Hospitals, Medical Care, & Research ,2000 *Lost Opportunities* Piyadasa Ratnayake,2004
