redesign of the 8 a management information system Sba estimates that as of June 1994 it had spent 1 million on the redesign effort In fiscal year 1994 sba had targeted in discretionary funds to complete the redesign effort However was reprogrammed to meet unanticipated salary and benefit requirements throughout sba Of the remaining that could be spent on the redesign effort only had been expended as of June 1994 Last September the sba Administrator estimated that it would take sba up to 2 years to complete the redesign of the management information system However because of the problems that sba continues to experience in its development efforts and the limited funding that it has committed to the redesign effort in fiscal year 1994 we are concerned that the kinds of delays experienced in the past will continue in the future In summary Mr Chairman while sba has made some progress in improving aspects of the 8 a program it still is not in a position to assess the program's success in developing minority owned businesses that can compete on equal bases in the mainstream of the Nation's economy The value of 8 a contracts awarded competitively increased in fiscal year 1992 but there has been no improvement over the past 5 to 6 years in the dispersion of contracts among 8 a firms In addition while sba has over the past few years consistently reviewed firms new and revised business plans program managers here in Washington cannot assess whether the types of assistance it provides is consistent with the developmental needs of firms over time because sba does not know whether firms are meeting their business goals About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
