Scheler's Ethical Personalism Its Logic Development And Promise:

Scheler's Ethical Personalism Peter H. Spader, 1999 Peter Spader has written a magisterial study on Max Scheler one of phenomenology's earliest and greatest figures whose theory of ethical personalism has become a major voice in the formulation of phenomenological ethics today Spader follows Scheler's use of the classic phenomenological approach by means of which he presented a fresh view of values feelings and the person and thereby staked out a new approach in ethics Spader recreates the logic of Scheler's quest revealing the basis of his thought and the reasons for his dramatic changes of direction This remarkable study provides a framework that allows us to understand Scheler's insights in the context of their dynamic evolution of his thought It corrects imbalances in the presentation of his ideas and defends Scheler against key misunderstandings and criticisms In short Spader's work continues the process of developing Scheler's pioneering theory of ethical personalism

Der Formalismus in der Ethik und die materiale Wertethik Max Scheler, 2014-05-07 Max Scheler's Opus magnum aus dem Jahr 1913/16 kann als der gründlichste und umfassendste Entwurf einer am Personenbegriff orientierten und auf die Objektivität von Werten setzenden Ethik angesehen werden Vor dem Hintergrund der Phänomenologie Husserls und in kritisch distanzierender Würdigung der Kantischen Philosophie entwickelt Scheler die Grundlagen der Praktischen Philosophie indem er die Fülle der menschlichen Wirklichkeit in all ihren Facetten ernst nimmt um sie zugleich vor dem Hintergrund eines materialen Wertaprioris verständlich zu machen Die Kritik an formalen Ethikentwürfen und die Zurückweisung von utilitaristischen Ansätzen entwickelt sich vor dem Hintergrund einer subtilen Diskussion des Wertbegriffs einer höchst differenzierten Analyse der Rangordnung von Werten und einer Phänomenologie der Person die bis heute einschlägig und wirksam ist Neben dem Gesamtentwurf besticht die Schelersche Schrift durch feingliedrige phänomenologische Analysen zu einzelnen Fragestellungen die auch nach einem Jahrhundert nicht an Brisanz verloren haben Hierzu zählen u.a. die Ausführungen zur Leiblichkeit die Diskussion der Gefühle oder die Konzeption des Liebesbegriffs Hundert Jahre nach der Erstveröffentlichung 1913/16 erscheint Scheler's Hauptwerk in einer kritischen Fassung als Ausgabe letzter Hand Der Text wird durch eine Einleitung und einen editorischen Bericht sowie Begriffs Personen und Literaturregister erschlossen Zudem werden nachträglich eingefügte Änderungen am Text ausgewiesen sowie unvollständige Angaben ergänzt bzw. Verweise und Anspielungen durch Herausgeberanmerkungen kommentiert

Persons and Values in Pragmatic Phenomenology J. Edward Hackett, 2018-05-15 This book brings together the author's overall research trajectory of the last five years of his life and the questions he has been asking himself What is the person And what are values In answering the latter question Hackett arrived at an answer within the boundaries of Max Scheler the German phenomenologist but consequently started to explore the depths of which Scheler's value ontology was predicated on certain assumptions about the person From these questions Hackett started to draw upon philosophical approaches that thematize experience pragmatism and phenomenology Rooted in the philosophical contributions of Scheler and the American

philosopher William James this book guides the reader through a fascinating exploration of these philosophical approaches in relation to the person and values Through thematizing experience this book reveals that the ontology of value for Scheler resides not only in a person's intentionality but also in the being of an act As such this book argues that the deficit of an ontology of value in Scheler rests on interpreting his affective intentionality in much the same way that Heidegger employed phenomenology to discern the ontological care structure of Dasein In other words for Scheler the ontology of value rests on the manner in which values were realized by a person's intentionality Moreover this book goes further to reveal that the intentional act life is the source of participation and can be understood as a process based account of value otherwise known as account participatory realism Importantly within participatory realism Hackett addresses how values have their origin in the process of intentionality since intentionality is generative of meaning As an important contribution to the field of moral metaphysics Hackett's critical reflection on the person and values provides a stimulating insight into some of the key debates surrounding pragmatism and phenomenology that will be of great interest to both experienced scholars and researchers alike

Material Ethics of Value: Max Scheler and Nicolai Hartmann E. Kelly, 2011-08-21 Max Scheler and Nicolai Hartmann developed ethics upon a phenomenological basis This volume demonstrates that their contributions to a material ethics of value are complementary by supplementing the work of one with that of the other we obtain a comprehensive and defensible axiological and moral theory By phenomenology we refer to an intuitive procedure that attempts to describe thematically the insights into essences or the meaning elements of judgments that underlie and make possible our conscious awareness of a world and the evaluative judgments we make of the objects and persons we encounter in the world *The Matrix of Christian Ethics* Patrick Nullens, Ronald T. Michener, 2013-12-06 Patrick Nullens and Ronald T Michener seek to revitalize Christian ethics through an integrative approach to classical ethics Their matrix of consequential principle virtue and value ethics provides an alternative to postmodern situation ethics and brings the framework of biblical wisdom to bear on contemporary ethical questions *Max Scheler in Dialogue* Susan Gottlöber, 2022-05-18 This volume explores Max Scheler's role within the philosophical and sociological debates of his time into the 21st century Scheler was an interpreter a transmitter of and respondent to the philosophical and sociological tradition He was an interlocutor for his contemporaries and an inspiration for subsequent and current debates in philosophy psychology and political thought Both young and established scholars shed light on central and less investigated aspects of Scheler's thought such as the question of moral facts personal individuality cosmopolitanism and opportunities for intercultural understanding The contributors delve into Scheler's influence on thinkers such as Tischner or L gstrup as well as his role as a key figure within Catholic thought The book appeals to students and researchers while exploring how engaging with Scheler can benefit contemporary debates on embodiment psychopathology and value pluralism Confucianism and Phenomenology Yinghua Lu, 2021-10-05 Critically developing the Contemporary New Confucianism this book opens a new horizon for the study of emotions and philosophy of

heart mind and human nature by focusing on the communication between phenomenology particularly Schelerian phenomenology and Chinese philosophy especially Mencius and Wang Yangming Such communication demonstrates how ethics based on factual experience is possible revealing the original spirit and fresh meaning of Confucian learning of the heart mind In clarifying crucial feelings and values this work undertakes a detailed description of the heart s concrete activities for the idea that the heart has its own order allowing us to see the order of the heart and its deviated form clearly and comprehensively **Solidarität** Max-Scheler-Gesellschaft. Internationales Kolloquium,2006 *Choice* ,2003

Material Phenomenology Michel Henry,2008 This book is Michel Henry s most sustained investigation of Husserlian phenomenology With painstaking detail and precision Henry reveals the decisive methodological assumptions that led Husserlian phenomenology in the direction of Idealism Returning to the materiality of life Henry s material phenomenology situates central phenomenological themes intentionality temporality embodiment and intersubjectivity within the full concreteness of life One of the most accessible of Henry s books *Material Phenomenology* is essential reading for those interested in the future of phenomenology or in a philosophy of life in the truest sense *International Philosophical Quarterly* ,2002 *American Catholic Philosophical Quarterly* ,2005 **The New Scholasticism** ,2002 Includes section Book Reviews Forthcoming Books Rose Army,2002 **Encyclopedia of Philosophy** Donald M. Borchert,2006 This volume covering entries from Price Richard to Sextus Empiricus presents articles on Eastern and Western philosophies medical and scientific ethics the Holocaust terrorism censorship biographical entries and much more *Phenomenological Inquiry* ,2003 **American Book Publishing Record** ,2002 *Event and World* Claude Romano,2009 The world into which we are born as the horizon of all our behavior is a world both of things and of events But what are events Though familiar to all of us they are philosophically obscure However central they may be to the question of being in Western thought from Aristotle to Heidegger events have always been assigned a derivative status indeterminate at the margins of philosophy Claude Romano seeks to change all that to describe precisely what sort of phenomenon an event is and to establish how it can be grasped via a phenomenology He seeks above all to understand a human being as one to whom events can occur who is able to face them and to appropriate them through experience Evential hermeneutics is the name he gives this approach which conceives human being as an undergoing of events for which there can be no substitution and as thereby becoming himself Romano at once forces us to think human existence or rather human adventure in the light of events and helps us understand how and why the event has been neglected in the ontological tradition **Augustinian Studies** ,2003 Defending Human Dignity Derek S. Jeffreys,2004 Argues that Pope John Paul II offers a Christian alternative to the reigning political philosophy of realism and consequentialism

Schelers Ethical Personalism Its Logic Development And Promise Introduction

In the digital age, access to information has become easier than ever before. The ability to download Schelers Ethical Personalism Its Logic Development And Promise has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Schelers Ethical Personalism Its Logic Development And Promise has opened up a world of possibilities. Downloading Schelers Ethical Personalism Its Logic Development And Promise provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Schelers Ethical Personalism Its Logic Development And Promise has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Schelers Ethical Personalism Its Logic Development And Promise. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Schelers Ethical Personalism Its Logic Development And Promise. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Schelers Ethical Personalism Its Logic Development And Promise, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Schelers Ethical Personalism Its Logic Development And Promise has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers.

worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Schelers Ethical Personalism Its Logic Development And Promise Books

1. Where can I buy Schelers Ethical Personalism Its Logic Development And Promise books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
