Practical Vsam For Todays Programmers:

Practical VSAM for Today's Programmers James G. Janossy, Richard Guzik, 1988-04-14 Written by authors who design program and manage online systems supported by VSAM data sets this text is intended to train readers particularly business data processing programmers to use VSAM in a practical manner Covers thoroughly the VSAM key sequenced data set knowledge and techniques needed to operate productively in the business data processing environment Illustrates tools in documented source code form computational CLISTs programs that read LISTCATs and automatically extract and analyze them and prime or alternate key value distribution analysis routines diskette available for uploading to mainframe Also addresses management of VSAM data sets in the production environment Practical MVS JCL Examples James G. Janossy, 1993-02-18 Revised to be a companion reference to Gary Brown's System 370/390 JCL known as the JCL Bible it contains a significant amount of actual JCL examples in the context of a single large model program added upon as each new feature of JCL is introduced Details the latest enhancements from IBM including MVS/ESA and SMS Demonstrates debugging techniques through JCL Illustrations are in TSO/ISPF with JCL to make the book's screen examples look exactly like those seen on a computer Practical MVS JCL for Today's Programmer James G. Janossy, 1987-05-14 This text overcomes the limitations of most of the technical literature concerning JCL by providing comprehensive examples and practical guidance throughout The text focuses on the functional relevant topics programmers need to know to get work done in a business data processing environment Examples start with what a programmer needs to know to test a job then builds up to what must be done to move the job into production This learn by doing approach also shows how JCL is integrated with online facilities such as TSO Features a complete summary of contemporary system completion codes with advice for problem resolutions and fresh coverage of condition code testing generation data group creation and usage and more No Comb binding **Computerworld**, 1987-04-06 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld's award winning Web site Computerworld.com twice monthly publication focused conference series and custom research form the hub of the world's largest global IT media network *Computerworld*, 1987-05-18 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld's award winning Web site Computerworld.com twice monthly publication focused conference series and custom research form the hub of the world's largest global IT media network *Computerworld*, 1987-07-13 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld's award winning Web site Computerworld.com twice monthly publication focused conference series and custom research form the hub of the world's largest global IT media network *Computerworld*, 1986-10-20 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld's award winning Web site Computerworld.com twice
