An Internet for the People Jessa Lingel, 2020-02-04 How craigslist champions openness democracy and other vanishing principles of the early web Begun by Craig Newmark as an e mail to some friends about cool events happening around San Francisco craigslist is now the leading classifieds service on the planet It is also a throwback to the early internet The website has barely seen an upgrade since it launched in 1996 There are no banner ads The company doesn t profit off your data An Internet for the People explores how people use craigslist to buy and sell find work and find

love and reveals why craigslist is becoming a lonely outpost in an increasingly corporatized web Drawing on interviews with craigslist insiders and ordinary users Jessa Lingel looks at the site s history and values showing how it has mostly stayed the same while the web around it has become more commercial and far less open She examines craigslist s legal history describing the company s courtroom battles over issues of freedom of expression and data privacy and explains the importance of locality in the social relationships fostered by the site More than an online garage sale job board or dating site craigslist holds vital lessons for the rest of the web It is a website that values user privacy over profits ease of use over slick design and an ethos of the early web that might just hold the key to a more open transparent and democratic internet

Ultimate Guide to Facebook Advertising Perry Marshall, 2022-08-01

NEW CUSTOMERS ARE WAITING FIND THEM ON FACEBOOK. Facebook makes it easy for businesses like yours to share photos, videos, and posts to reach, engage, and sell to more than 1 billion active users. Advertising expert Perry Marshall is joined by co-authors Keith Krance and Thomas Meloe as he walks you through Facebook Advertising and its nuances to help you pinpoint your ideal audience and gain a ten-fold return on your investment. Now in its third edition, *Ultimate Guide to Facebook Advertising* takes you further than Facebook itself by exploring what happens before customers click on your ads and what needs to happen after 10 seconds later, 10 minutes later, and in the following days and weeks. You'll discover how to Maximize your ad ROI with newsfeeds, videos, and branded content. Create custom audiences from your contact lists, video views, and page engagement. Use the Facebook Campaign Blueprint proven to generate your first 100 conversions. Boost your Facebook ads using the Audience Network and Instagram. Follow the three-step formula for successful video ads. Maximize campaigns and increase conversions on all traffic to your website. Track and retarget engaged users by leveraging the Power of the Pixel. Make every page on your website 5-10 percent more effective overnight. If anybody can make practical sense of Facebook for marketers, it's Perry. He has his finger on its truth as advertising media, not social media. He also realizes there is a short window of time during which it offers greatest opportunity. He identified this with Google AdWords. Now this book shows how to capitalize on ideal timing with this media. Finally, he is a well-disciplined direct response practitioner who holds this accountable for ROI. I bestow my No B.S. blessing. Dan S. Kennedy, legendary direct marketing advisor and author of the No B.S. series.
