Russian Peasants And Soviet Power:

Russian Peasants and Soviet Power Moshe Lewin, 1975 A most important and pioneering book the only full scale study of the Russian revolution and the peasant from 1917 through the first wave of mass collectivization in 1930 Stephen F Cohen

Russian Peasants and Soviet Power Moshe Lewin, 1968 *Russian peasants and soviet power, by m. lewin M. Lewin, 1968 Russian peasants and Soviet power: a study in collectivization, tr Moshe Lewin, Russian Peasants and Soviet Power Moshe Lewin, 1968 Study of historical aspects of agricultural policy in the USSR with particular reference to agrarian reforms carried out during the period from 1927 to 1928 covers political aspects and social implications of decisions in respect of nationalization of property of private ownership landowners and incorporation of agriculture into the collective economy the effects thereof on the living conditions of rural workers social change resulting therefrom etc *Russian peasants and soviet power. A study of collectivization* Alec Nove, 1966 Russian Peasants and Soviet Power. A Study of Collectivization. Transl. by I. Nove with the Assistance of J. Riggart. With a Pref. by A. Nove Moshe Lewin, I. Nove, J.*

Riggart, Alec Nove, 1968 *Russian peasants and Soviet power* Moshe Lewin, 1968 **Russian Peasants and Soviet Power** Moshé Lewin, 1968 **Russian Peasants and Soviet Power** Moshe Lewin, 1975 *La Paysannerie et le pouvoir soviétique. Russian peasants and soviet power. A study of collectivization ... Translated by Irene Nove with the assistance of John Biggart, etc* Moshé LEWIN, John BIGGART (Translator.), Irene NOVE, 1968 **Is the Holocaust Unique?** Alan S Rosenbaum, 2018-04-17 In essays written specifically for this volume distinguished contributors assess highly charged and fundamental questions about the Holocaust Is it unique How can it be compared with other instances of genocide What constitutes genocide and how should the international community respond On one side of the dispute are those who fear that if the Holocaust is seen as the worst case of genocide ever its character will diminish the sufferings of other persecuted groups On the other side are those who argue that unless the Holocaust's uniqueness is established the inevitable tendency will be to diminish its abiding significance The editor's introductions provide the contextual considerations for understanding this multidimensional dispute and suggest that there are universal lessons to be learned from studying the Holocaust The third edition brings this volume up to date and includes new readings on the Cambodian and Rwandan genocides common themes in genocide ideologies and Iran's reaction to the Holocaust In a world where genocide persists and the global community continues to struggle with the implications of international crime prosecution justice atonement reparation and healing the issues addressed in this book are as relevant as ever **Collective Farms and Russian Peasant Society, 1933-1937** Nellie Hauke Ohr, 1990 **Insurgent Universality** Massimiliano Tomba, 2019 Scholars commonly take the Declaration of the Rights of Man and Citizen of 1789 written during the French Revolution as the starting point for the modern conception of human rights According to the Declaration the rights of man are held to be universal at all times and all places But as recent crises around migrants and refugees have made obvious this idea sacred as it might be among human

rights advocates is exhausted This book suggests that we need to think of a different idea of universality that exceeds the juridical universalism of the Declaration Insurgent Universality investigates alternative trajectories of modernity that have been repressed hindered and forgotten Investigating radical upheavals Tomba excavates an alternative idea of universality that is based on popular political practices that disrupt and reject the existing political and economic order The book shows how this tradition builds bridges between European and non European political and social experiments *Final Solutions* Benjamin A. Valentino,2013-01-19 Benjamin A Valentino finds that ethnic hatreds or discrimination undemocratic systems of government and dysfunctions in society play a much smaller role in mass killing and genocide than is commonly assumed He shows that the impetus for mass killing usually originates from a relatively small group of powerful leaders and is often carried out without the active support of broader society Mass killing in his view is a brutal political or military strategy designed to accomplish leaders most important objectives counter threats to their power and solve their most difficult problems In order to capture the full scope of mass killing during the twentieth century Valentino does not limit his analysis to violence directed against ethnic groups or to the attempt to destroy victim groups as such as do most previous studies of genocide Rather he defines mass killing broadly as the intentional killing of a massive number of noncombatants using the criteria of 50 000 or more deaths within five years as a quantitative standard *Final Solutions* focuses on three types of mass killing communist mass killings like the ones carried out in the Soviet Union China and Cambodia ethnic genocides as in Armenia Nazi Germany and Rwanda and counter guerrilla campaigns including the brutal civil war in Guatemala and the Soviet occupation of Afghanistan Valentino closes the book by arguing that attempts to prevent mass killing should focus on disarming and removing from power the leaders and small groups responsible for instigating and organizing the killing

Peasants and Communists Melissa Katherine Bokovoy,1998 Melissa K Bokovoy explores the dynamic relationship between the Communist Party of Yugoslavia KPJ and Yugoslavia s peasantry majority from 1941 1953 She challenges current explanations for the party s decision to end all efforts at collectivization Her argument rests on an extensive examination of the uneasy coalition between a radical revolutionary elite hoping to move from a predominantly rural country to a modernized state and an insurgent peasantry utterly resistant to change **Soviet Economic Structure and Performance** Paul R. Gregory,Robert C. Stuart,1986 **Russian Peasants and Soviet Power (La Paysannerie Et Le Pouvoir Soviétique, Engl.) A Study of Collectivization** Moshe Lewin,John Biggart,Irene Nove,1968 **Russia, the USSR, and Eastern Europe** Rosemary Nieswender,1978 Behind Soviet Power Jerome Davis,1946
