

# Back to the Past: PAST PERFECT TENSE

Have you ever wanted to go back in time and change something? While we can't actually do that, the Past Perfect Tense allows us to talk about past events that happened before another event in the past. It's like taking a trip back in time!

Subject	Auxiliary Verb	Had + Past Participle	Time
I	had	gone	to the store before the movie started
You	had	seen	the movie before I arrived
He/She/It	had	finished	his/her homework before dinner
We	had	visited	the museum before it closed
They	had	played	tennis before the rain started

The Past Perfect Tense is a great way to talk about past events that happened before another event in the past. With this tense, you can describe what had already happened before another event occurred.
