Perform Or Else From Discipline To Performance:

Perform Or Else Jon McKenzie, 2001 In *Perform or Else* Jon McKenzie brilliantly explores the relationship between cultural organisational and technological performance Die Theatralität der Performance Vivien Aehlig, 2019-08-28 Performance und Performativität sind zentrale Begriffe der deutschsprachigen Theater Kunst und Kulturwissenschaften Die für ihr Begriffsverständnis maßgebliche US amerikanische Theoriebildung wurde bisher aber nur selektiv rezipiert Vivien Aehlig stellt diesen Performance Diskurs nun erstmals für ein deutschsprachiges Publikum umfassend vor von den Universitäten über die Kunstszenen und die politischen Debatten bis hin zur theoretischen Auseinandersetzung Dabei zeigt sie dass sich der Performance Diskurs in ständigem Bezug auf Vorstellungen von Theater und Theatralität entfaltet und dieses Wechselverhältnis für die Performativitätstheorie entscheidend ist **Kultur. Von den Cultural Studies bis zu den Visual Studies** Stephan Moebius, 2014-03-15 In den vergangenen Jahren haben immer mehr jene Kulturanalysen an Bedeutung gewonnen die sich als umfassende Deutungen der Gegenwart verstehen wie beispielsweise die Cultural Studies Governmentality Studies Queer Studies Gender Studies Disability Studies Space Studies Science Studies Visual Studies Media Studies Performative Studies Memory Studies Sound Studies Surveillance Studies oder Postcolonial Studies Diese Ansätze stehen mittlerweile im Zentrum der Kultur und Sozialwissenschaften Der Band führt in diese Positionen anhand von Einzelbeiträgen ausgewiesener Expertinnen und Experten ein Zur Konstituierung der Kunstfigur durch soziale Emotionen Viktoria Volkova, 2020-01-16 Meine Heimat ist die Probe pflegte Dimitter Gotscheff zu sagen Für Thomas Ostermeier ist die Probe der Ort an dem die Figuren seiner Inszenierung zur Welt kommen Und Thomas Langhoff wurde auf der Probe selbst zum energiegeladenen Darsteller Doch was genau findet während der Proben statt Wie entwickelt der Schauspieler seine Figur Wie tragen der kollektive Charakter dieser Arbeit und die Emotionen in dem Beziehungsgefüge am Theater zur Annäherung an eine Rolle bei Die Theaterwissenschaftlerin Viktoria Volkova hat die häufig mystifizierte Theaterprobe über mehrere Monate begleitet und die Probenarbeit bei Dimitter Gotscheff Thomas Langhoff und Thomas Ostermeier in Wort und Bild dokumentiert und analysiert *Training for Performance* John Matthews, 2011-06-01 Training for Performance is the first work of its kind not in the sense that it addresses training for performance but in that it invites a critical questioning of the imperatives and the rhetoric which govern academic and practical concerns for training alike Dr Martin Welton Queen Mary University of London Training for Performance a Meta disciplinary Account is an innovative contribution to the field of work on contemporary actor and performer training John Matthews introduces the concept of askeology a field of study that dissolves divisions between disciplines and their exercises and identifies four meta disciplinary categories in the process of training that are common to all institutional contexts Vocation Obedience Formation and Automatisations Through the exploration of contrasting accounts of training and the differing cultural politics within which they operate Matthews provides a highly original and comprehensive approach to defining one of the most frequently used terms in theatre and

performance studies Training for Performance encourages performers to think afresh about how they understand and engage in their training and is an invaluable resource for any actor student or professional interested in the process of performance
