## Peron A Biography:

**Perón, a Biography** Joseph A. Page, 1983 An exhaustive study of the life and political career of this Argentinian leader  
Eva Peron Alicia Dujovne Ortiz, 1997-07-15 Using newly declassified documents from the Peron government and Peron's own memoirs an Argentine journalist attempts to answer many of the questions that have surrounded the enigmatic life of Eva Peron  
Eva Peron John Barnes, 1978 **Eva Peron** Kremena Spengler, 2006-09 Provides an introduction to the life and biography of Eva Peron a popular entertainer and first lady in Argentina  
Evita, First Lady John Barnes, 1978 The story of one of the most fascinating women of all time Maria Eva Duarte who rose from poverty to become one of the richest most powerful women in the world  
*Juan Perón* Jill Hedges, 2021-04-08 Within Argentina Juan Domingo Perón continues to be the subject of exaggerated and diametrically opposed views A dictator a great leader the hero of the working classes and Argentina's first worker a weak and spineless man dependent on his stronger-willed wife a Latin American visionary a traitor responsible for dragging Argentina into a modern socially just 20th century society or conversely destroying for all time a prosperous nation and fomenting class war and unreasonable aspirations among his client base Outside Argentina Perón remains overshadowed by his second wife Evita The life of this fascinating and unusual man whose charisma political influence and controversial nature continue to generate interest remains somewhat of a mystery to the rest of the world Perón remains a key figure in Argentine politics still able to occupy so much of the political spectrum as to constrain the development of viable alternatives Jill Hedges explores the life and personality of Perón and asks why he remains a political icon despite the negatives associated with his extreme personalism  
**Juan Domingo Peron** Robert J. Alexander, 2019-04-11 This book presents a tentative assessment of the Argentine leader Juan Domingo Peron's overall importance in his own country and in the American Hemisphere It is based largely on the observations of the author on the evolution of Argentina over almost a third of a century  
*Perón and the Enigmas of Argentina* Robert D. Crassweller, 1987 A study of the life of Juan Peron focusing on the values emotions and psychological links of the appeal of Peronism and its mythology and longevity  
**Peron and Peronism** Kerry Bolton, 2014-02 Perón and Peronism is unique especially among English language books insofar as it is not so much a biography of the remarkable Argentine president but an explanation of Peronism in theory and practice While the lives of Juan and especially Eva Perón are relatively easy to access seldom is it that a biography of the Peróns or even a scholarly history of Argentina details the doctrine of Justicialism In Perón and Peronism Bolton draws on primary documents and speeches to define the Peronist doctrine that has moved the hearts and minds of the majority of Argentines for generations Perón is shown to have been not only a great leader who built the foundations of modern Argentina but a philosopher who drew upon various philosophical schools from Classical Greece onwards in synthesising a third position that transcends capitalism and communism Right and Left and exposes demoliberalism as a fraud Here we also see a man of vision an exponent of geopolitical blocs to counter globalist hegemony whose ideals remain

profoundly relevant in the age of globalisation      **The National Cyclopaedia of American Biography** ,1898      Juan and Eva Perón Clive Foss,2006-05-01 Juan and Eva Peron formed a charismatic partnership arousing passionate emotions in Argentina during the 1940s and 50s Juan Peron s rise to power began in 1943 when he helped organise the successful coup of pro Axis army officers Eva a former actress and subject of scandal became increasingly influential securing the vote for women      *Mañana es San Perón* Mariano Ben Plotkin,2002-10-01 The regime of Juan Per n is one of the most studied topics of Argentina s contemporary history This new book an English translation of a highly popular critically acclaimed Spanish language edition provides a new perspective on the intriguing Argentinian leader Mariano Plotkin s cultural approach makes Per n s popularity understandable because it goes beyond Per n s charismatic appeal and analyzes the Per nist mechanisms used to generate political consent and mass mobilization *Mañana es San Per n* is the first book to focus on the cultural and symbolic dimensions of Per nism and populism Plotkin also presents important material for the study of populism and the modern state in this region *Mañana es San Per n* explores the creation of myths symbols and rituals which constituted the Per nist political imagery This political imagery was not designed to reinforce the legitimacy of a political system defined in abstract terms but to assure the undisputed loyalty of different sectors of society to the Per nist government and to Per n himself The evolution of the institutional framework that made the creation of this symbolic apparatus possible is also discussed This well researched book shows the methods designed by the Per nist regime to broaden its social base through the incorporation and activation of groups which had traditionally occupied a marginalized position within the political system non union workers women and the poor Plotkin investigates how Per n used the education system to build his popularity He examines the public assistance programs financed through the Eva Per n Foundation and demonstrates how they were used to politicize women for the first time He explains how Eva Per n and the Per nist regime not only tried to gain the support of women as voters but also as potential missionaries who would spread the Per nist word in the privacy of their homes This well written and engaging account of one of Latin America s most colorful and appealing leaders is an excellent resource on Argentina and Latin American history and politics      *The English Cyclopaedia: Division. Biography. 6v. and Suppl* ,1872      Eva Peron Joanne Mattern,2013 Rising from a childhood of poverty and disgrace Eva Peron became one of the most influential figures in Argentina s history first as a celebrity and then as the nation s First Lady To the working classes Peron was a saint who worked tirelessly to help the poor and improve life for Argentina s people To the other members of society however Peron was seen as a selfish arrogant woman who cared only about herself and her image For decades people have argued over whether she was an angel or the devil This well researched compelling presents a balanced portrayal of Eva Peron s life and achievements while looking at both sides of the controversy surrounding a woman who was truly larger than life      *Eva Peron, Books, Articles, and Other Sources of Study* Gabriela Sonntag-Grigera,1983      Eva Perón Lesli J. Favor,2011 Women leaders of the twentieth and twenty first centuries have powerfully influenced the course of

major political events and have spearheaded social change on an international scale Some women were elected to public office and others were appointed to key positions in government Some were leaders who served in the private sector All were products of their times and made an indelible mark on those times Book jacket **Biography News** ,1974 **Eva Perón**

Julie Taylor,1981-02-15 Eva Perón one of the most powerful women in the world at the time of her death in 1952 rose from humble origins to international renown as First Lady of Argentina and the force behind the throne of her husband Juan Perón Despite her immense popularity she was inaccessible to the people of Argentina and so images were constructed around her to fill that void According to Julie M Taylor these myths around Eva Perón reflect Argentine culture and political history at the time of her seven year reign With a brief biography of Eva Perón serving as a backdrop Taylor offers a detailed analysis of the principle myths that grew around this enigmatic woman Taylor shows that she is remembered by different classes and political factions as saint a revolutionary or a whore depending on whether she was interpreted as an embodiment or as a violation of the Argentine feminine ideal Booklist Highly commendable it deliberately eschews the sensationalism that characterizes earlier biographies Taylor instead concentrates on the myths that have lingered since her death This book transcends biography *Gentlemen's Quarterly* A concise and brilliant examination of the legends that arose in Argentina during the lifetime of a woman who broke with Argentine tradition and became a political figure in her own right New Yorker
