Alexander Pope

Popes Dunciad A Study Of Its Meaning:

Pope's Dunciad Aubrey L. Williams,1955

Pope's Dunciad Aubrey L. Williams,2017-07-23 Excerpt from Pope s

Dunciad A Study of Its Meaning It is my own conviction one which has grown steadily since the beginning of this study that no adequate understanding of the Dunciad s place in literary history is possible until we know more of the way the poem is sustained and nourished by tradi tions and attitudes which are rooted deep in the medieval and classical past As this conviction has grown my estimate of my own efforts in this study has become ever more modest I hope that I have challenged successfully at least a few of the received Opinions of the poem but if I have not then I hope I will have inspired still better efforts to comprehend the poem About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Alexander Pope Encyclopedia Pat

Rogers,2004-03-30 Alexander Pope 1688 1744 was the most important English poet of the 18th century as well as an essayist satirist and critic Many of his sayings are still quoted today His Essay on Criticism shaped the aesthetic views of English Neoclassicism while his Essay on Man reflected the moral views of the Enlightenment He participated fully in the critical debates of his time and was one of the few poets who supported himself through his writing This reference conveniently summarizes his life and works Included are several hundred alphabetically arranged entries on Pope s works subjects that interested him historical events that impacted Pope s life and work cultural terms and categories Pope s family members and acquaintances major scholars and critics and various other topics related to his writings The entries reflect current scholarship and cite works for further reading The encyclopedia also provides a chronology and concludes with a selected general bibliography Because of Pope s central importance to the Enlightenment this book is also a useful companion to 18th century literary and intellectual culture

Reading It Wrong Abigail Williams,2025-08-05 How eighteenth century literature

depended on misinterpretation and how this still shapes the way we read Reading It Wrong is a new history of eighteenth century English literature that explores what has been everywhere evident but rarely talked about the misunderstanding muddle and confusion of readers of the past when they first met the uniquely elusive writings of the period Abigail Williams uses the marginal marks and jottings of these readers to show that flawed interpretation has its own history and its own important role to play in understanding how why and what we read Focussing on the first half of the eighteenth century the golden age of satire Reading It Wrong tells how a combination of changing readerships and fantastically tricky literature created the perfect grounds for puzzlement and partial comprehension Through the lens of a history of imperfect reading we

see that many of the period's major works by writers including Daniel Defoe Eliza Haywood Mary Wortley Montagu Alexander Pope and Jonathan Swift both generated and depended upon widespread misreading Being foxed by a satire coded fiction or allegory was like Wordle or the cryptic crossword a form of entertainment and perhaps a group sport Rather than worrying that we don't have all the answers we should instead recognize the cultural importance of not knowing

Mock-Epic Poetry from Pope to Heine Ritchie Robertson, 2009-11-12 A study of eighteenth and early nineteenth century poetry in English French and German focusing on the mock epic from Pope's *Dunciad* to Byron's *Don Juan* as a critique of serious epic poetry and also as a literary means of exploring a wide range of sexual and religious issues in a humorous style The Skeptical Sublime James Noggle, 2001 This title examines the role of scepticism in initiating the idea of the sublime in early modern British literature James Noggle draws on philosophy intellectual history and critical theory to illuminate the aesthetic ideology of Pope Swift Dryden and Rochester among other important writers of the period The Skeptical Sublime compares the view of sublimity presented by these authors with that of the dominant liberal tradition of 18th century criticism to offer a new understanding of how these writers helped construct proto aesthetic categories that stabilized British culture after years of civil war and revolution while at the same time their scepticism allowed them to express ambivalence about the emerging social order *Fiktionalität und Wirklichkeitsbezug* Johann N. Schmidt, 1974

Vision and Re-vision in Alexander Pope Wallace Jackson, 1983 **The New Cambridge Bibliography of English Literature: 1660-1800** George Watson, 1969 *Alexander Pope* Wolfgang Iser, 1981 This annotated bibliography lists critical works on Pope published in the years 1900 through 1979 It is divided into chapters on e.g. bibliography biography concordance correspondence general criticism Pope as critic Pope as translator of Homer Pope as editor of Shakespeare criticism concerning individual works Each chapter is organized according to chronological order Included in the bibliography is a comprehensive index of authors titles and topics The Literary Genres of Edmund Burke Frans De Bruyn, 1996 The Literary Genres of Edmund Burke brings a literary perspective to bear upon Edmund Burke's political writings Burke understood himself to be a literary writer a claim that held a much greater cultural and political significance in his time than it does in our own This study recontextualizes Burke's writings by exploring what the eighteenth century understood by the term literature and by demonstrating how thoroughly he relies on the dominant literary discourses of his time especially the satire and georgic didactic modes in composing his speeches and polemics From his debt to the Scriblerian satire of Pope and Swift to his extensive use of the theatrical metaphor and his forays into the fields of gothic romance tragedy and epic De Bruyn argues that the literary forms Burke uses are intrinsic and indispensable elements in the meanings of his texts both for himself and for his audience The Reputation and Writings of Alexander Pope James Reeves, 1976 *Studien zum komischen Epos* Ulrich Broich, 1968 **The Explicator** George Arms, 1961 **Critical Essays on Alexander Pope** Wallace Jackson, R. Paul Yoder, 1993 Editors Jackson and Yoder have confined their selection of

essays to those from the last 20 years and particularly those since 1980 The essays are general in nature rather than confining themselves to a specific work in an attempt to place Pope in the broader perspective of representing the whole person as opposed to earlier criticism that depicted him as a skilled craftsman and a poet of eminent good sense Annotation copyright by Book News Inc Portland OR **Essays and Studies in Language and Literature** Herbert H. Petit,1964

Lumen Canadian Society for Eighteenth-Century Studies,2004 *The Critical Survey* ,1968 **The Selected Poetry of Pope** Alexander Pope,1980 *Library of Congress Catalog* Library of Congress,1955 A cumulative list of works represented by Library of Congress printed cards
