Flax Flower Trudy Gray, 2006-12 In the late 1950s a group of American medical students are enrolled at the Catholic University of Louvain Belgium They were unable to gain admission to an American medical school The main character in the book is the daughter of a Flemish flax farmer who is dating one of the students Other students are dating local girls as well Some of the families on both sides do not accept these friendships and the story is about how this tug of war affects the relationships of the young people involved *Trailing Clouds* David G. Cowart, 2018-07-05 We stand to learn much about the durability of or changes in the American way of life from writers such as Bharati Mukherjee born in India Ursula Hegi born in Germany Jerzy Kosinski born in Poland Jamaica Kincaid born in Antigua Cristina Garcia born in Cuba Edwidge Danticat born in Haiti Wendy Law Yone born in Burma Mylne Dressler born in the Netherlands Lan Cao born in Vietnam and such Korean born authors as Chang-rae Lee Theresa Hak Kyung Cha and Nora Okja Keller writers who in recent years have come to this country and in their work contributed to its culture David Cowart In *Trailing Clouds* David Cowart offers fresh insights into contemporary American literature by exploring novels and short stories published since 1970 by immigrant writers Balancing historical and social context with close readings of selected works Cowart explores the major themes raised in immigrant writing the acquisition of language the dual identity of the immigrant the place of the homeland and the nature of citizenship Cowart suggests that the attention to first generation writers those whose parents immigrated has not prepared us to read the fresher stories of those more recent arrivals whose immigrant experience has been more direct and unmediated Highlighting the nuanced reflection in immigrant fiction of a nation that is ever more diverse and multicultural Cowart argues that readers can learn much about the changes in the American way of life from writers who have come to this country embraced its culture and penned substantial literary work in English
