Behind the facade, however, things are not as pleasant. A very costly paradigm shift is underway, altering not only conventional business and finance models but also threatening long-established avenues of entertainment such as movie theaters, traditional television, and home video, and wreaking havoc on independent filmmakers and veteran producers alike. This book attempts to make sense of ongoing economic and creative shifts of infrastructure and intellectual property to understand where the industry is headed and to distinguish which business models should be maintained and which ones should be left behind. Featuring exclusive interviews with some of the industry's most prolific filmmakers and executives, it dives into the trenches of Hollywood to provide readers with the knowledge necessary to rethink the business, see past the turmoil, recognize the new opportunities, and take advantage of exciting new possibilities. Change sparks innovation, and innovation brings about great opportunity, but only for the well-informed and prepared. *EQ*, 1995 **Theater Artist's Resource** Ruth Mayleas, 1999 *Theater Artist's Resource* is a cornucopia of great opportunities, more than 150 of them, for a wide variety of theater people in many fields, from acting to directing to stage production work and beyond. **Mergent Bank & Finance Manual**, 2001 **Haines San Mateo County Criss-cross Directory**, 2008 **Barron's Profiles of American Colleges**, 2000 **Mergent International Manual**, 2003 **F&S Index Europe Annual**, 1993 **Instructor**, 1977 **Travel Holiday**
