U.S.A. Travel Promotion, Hearings Before the Subcommittee on Commerce and Finance ... 91-1 and 2., on H.R. 10850, 12646, 14685, and 14714. Nov. 5 & 6; and Feb. 19, 1970 United States. Congress. House. Interstate and Foreign

Commerce,1970      **Export Promotion** United States. Congress. House. Committee on Small Business. Subcommittee on Procurement, Exports, and Business Opportunities,1995      Nested Games of External Democracy Promotion Rainer

Thiel,2010-10-10 Nested Games of External Democracy Promotion develops a game theoretic model that explains how an external actor influences the strategic interaction between an authoritarian regime and a democratic opposition In a multiple arena approach the confrontation between regime and opposition on the domestic level is nested inside a game on the international level at which the regime is simultaneously entangled with a democracy promotion actor As a case study the book formally reconstructs how United States democracy assistance influenced the Polish liberalization process between 1980 and 1989 The process tracing of its causal mechanisms is extensive and builds on data previously not recorded With regard to Cold War history new light is brought into U S American policies and strategies behind the Iron Curtain

**Comparative International Politics of Democracy Promotion** Jonas Wolff,Hans-Joachim Spanger,Hans-Jürgen Puhle,2013-09-11 Though scholarly attention to democracy promotion is increasing there is still little comparative and theoretically based work on the protagonists of democracy promotion This book investigates the motives that drive democracy promotion in a comparative and theoretically oriented manner exploring how democracy promoters deal with conflicting objectives and the factors that shape their behaviour It also addresses the more policy oriented debate on the contemporary challenges to democracy promotion focusing on US and German policies towards three kinds of challenges the emergence of radical leftist governments in Bolivia and Ecuador the political rise of Islamist movements in Turkey and Pakistan and the consolidation of semi authoritarian rule in Belarus and Russia In each case North Western democracy promoters have been confronted with serious conflicts of objectives between security economic interests and democracy promotion The analysis and comparison of such situations in which democracy promoters have to deal with competing objectives and make tough decisions provides powerful evidence as to the factors that shape democracy promotion The Comparative International Politics of Democracy Promotion will be of interest to students and scholars of international relations comparative politics democratization studies and foreign policy      **Federal Cooperation with States in**
