The Music Producer's Guide to Social Media Content Sam McGuire, 2025-04-17 The Music Producer's Guide to Social Media Content offers essential insights into the role of audio in content creation for social media platforms. It provides advice on succeeding in the music industry through the successful adoption of social media practices and on creating high quality content as a vehicle of career growth. Introducing both industry standard tools including DAWs, plug ins and hardware and an array of advanced techniques such as consideration of immersive and spatial audio as well as live streaming systems, the book equips readers to create audio for uploaded and streamed media. With a focus on maximizing quality, the book explores destinations and distribution with contemporary case studies while focusing on principles that can be transferred to new technologies as they are released. Throughout, readers gain an understanding of the technology behind media creation, methods of using social media platforms to expand career opportunities and the process of monetizing content. This is an invaluable companion for both novice and experienced music producers who are seeking to promote their work on social media as well as those looking to master the art of creating audio content for social media. **A Practical Guide to Event Promotion** Nigel Jackson, Katie Angliss, 2017-07-14 This Practical Guide to Event Promotion offers the reader a short and succinct overview of the range of marketing communication materials from print to social marketing that can be used to promote an event successfully to the correct target markets. It includes invaluable advice on how to identify the type of communication tools most applicable to the type of event that is being promoted and its target market, how to effectively use and implement these useful tips on things to avoid as well as suggested time frames to use before, during and after the event. Examples of best practice and insights from events marketers are integrated throughout. Although full of practical information, a strong theoretical base underpins the advice included on how event managers can apply communication and persuasion theory to key audiences. This book will be a useful resource for Events Management students putting on an event as part of their course and for assessments and those wanting to convert general theory into practical skills they will use in the workplace. *HowExpert Guide to Music Festivals* HowExpert, Lydia Endel, 2020-09-11 If you want to learn how to survive, thrive and have an epic music festival experience, then get *HowExpert Guide to Music Festivals*.
