Judaism Disrupted Michael Strassfeld, 2023-02-14 I can't remember the last time I felt pulled to underline a book constantly as I was reading it but *Judaism Disrupted* is exactly that: intellectual, spiritual and personal adventure. You will find yourself nodding, wrestling and hoping to hold on to so many of its ideas and challenges. Rabbi Strassfeld reframes a Torah that demands breakage, reimagination and ownership. Not only did I learn so much from Strassfeld's 11 principles, I was changed by them. Abigail Pogrebin, author *My Jewish Year*, 18 Holidays, One Wondering Jew. How do you hold on to faith in a modern world? Rabbi Michael Strassfeld digs deep into the Jewish tradition to help us get to the root of the matter: our need to create connection to our past, to our present, to each other. To connect with the unity underlying the universe that draws us all together. *Judaism Disrupted* is about the future of Judaism starting now. Do the time-honored traditions of rabbinic Judaism meet our spiritual needs? Do we feel spiritually sated after a Shabbat service? Is there another way to be a Jew? It's time for a new Judaism. Strassfeld outlines a path that leads to a new Judaism, a new framework with practices that you can start putting into use right away to live a life of meaning. *Judaism Disrupted* is Judaism revitalized.
