

SEX, VIOLENCE & POWER IN SPORTS

**RETHINKING
MASCULINITY**

Michael A. Messner, Ph.D.
& Donald F. Sabo, Ph.D.

"Important and Provocative." —Dick Schaap
NYC News Sports correspondent

Sex Violence And Power In Sports Rethinking Masculinity

David Karen, Robert E. Washington

Sex Violence And Power In Sports Rethinking Masculinity:

Sex, Violence & Power in Sports Michael A. Messner, Donald F. Sabo, 1994 Examines the effect of sports in shaping men's attitudes toward women and violence

Paradoxes of Youth and Sport Margaret Gatz, Michael A. Messner, Sandra Ball-Rokeach, 2002-03-28 Highlights the practical benefits and the many problems of youth and sports in the United States

Masculinities, Gender Relations, and Sport Jim McKay, Michael A. Messner, Donald Sabo, 2000-05-26 The papers in this collection consider how the study of masculinities in sport can be integrated with critical feminist studies how to deal with the tendency to over emphasize negative outcomes and the increasing trend to violence in sport

Handbook of Studies on Men and Masculinities Michael S. Kimmel, Jeff Hearn, Robert W. Connell, 2004-07-20 In the past research in the field of gender has mainly addressed issues about women and has for the most part been developed by women Recently the study of gender has rapidly expanded and there has been a growing interest in men's and boys identities conduct and problems The Handbook of Studies on Men and Masculinities is an interdisciplinary and international culmination of the growth of men's studies that also offers insight about future directions for the field The Handbook provides a broad view of masculinities primarily across the social sciences with the inclusion of important debates in some areas of the humanities and natural sciences The various approaches presented in this Handbook range across different disciplines theoretical perspectives methodologies and conceptualizations in relation to the topic of men Editors Michael S Kimmel Jeff Hearn and Robert W Connell have assembled an esteemed group of contributors who are among the best known experts in their particular fields The Handbook of Studies on Men and Masculinities examines the construction of masculinities in four different frames the social organization of masculinities in their global and regional iterations the institutional reproduction and articulation of masculinities the ways in which masculinities are organized and practiced within a context of gender relations and the ways in which individual men express and understand their gendered identities The Handbook is organized in a way that moves from the larger global and institutional articulations of masculinities to the more intimate and personal expressions The Handbook of Studies on Men and Masculinities provides scholars researchers and students with the most current incisive scholarship available for the men's studies area of gender studies It is a vital resource for those interested in the practical or cultural issues about men boys and gender as well as an excellent addition to any academic library

Sexual Sports Rhetoric Linda K. Fuller, 2010 Sexual Sports Rhetoric Historical and Media Contexts of Violence deals with controversies surrounding the notion of sport violence added to the equation of gender and language Topics discussed range from hooliganism spousal abuse and racial and or gender orientation issues to literary televised filmic and photographic pornographic images of sports violence The sports represented include ice hockey stock car racing football body building baseball boxing rugby wrestling and pool

The Rites of Men Varda Burstyn, 1999-01-01 It gathers more spectators on a global basis than any other activity today More than just a game sport has profound political and social consequences

promoting a super aggressive ideal of manhood and political culture

Sociological Perspectives on Sport David

Karen, Robert E. Washington, 2015-03-02 Sociological Perspectives on Sport The Games Outside the Games seeks not only to inform students about the sports world but also to offer them analytical skills and the application of theoretical perspectives that deepen their awareness and understanding of social processes linking sports to the larger social world With six original framing essays linking sport to a variety of topics including race class gender media politics deviance and globalization and 37 reprinted articles this text reader sets a new standard for excellence in teaching sports and society **Taking The Field**

Michael A. Messner, 2002-07-17 In the past when sport simply excluded girls the equation of males with active athletic power and of females with weakness and passivity seemed to come easily almost naturally Now however with girls and women s dramatic movement into sport the process of exclusion has become a bit subtler a bit more complicated and yet as Michael Messner shows us in this provocative book no less effective In Taking the Field Messner argues that despite profound changes the world of sport largely retains and continues its longtime conservative role in gender relations To explore the current paradoxes of gender in sport Messner identifies and investigates three levels at which the center of sport is constructed the day to day practices of sport participants the structured rules and hierarchies of sport institutions and the dominant symbols and belief systems transmitted by the major sports media Using these insights he analyzes a moment of gender construction in the lives of four and five year old children at a soccer opening ceremony the way men s violence is expressed through sport the interplay of financial interests and dominant men s investment in maintaining the status quo in the face of recent challenges and the cultural imagery at the core of sport particularly televised sports Through these examinations Messner lays bare the practices and ideas that buttress as well as those that seek to disrupt the masculine center of sport Taking the Field exposes the subtle and not so subtle ways in which men and women collectively construct gender through their interactions interactions contextualized in the institutions and symbols of sport Skating on Thin Ice

Walter S. DeKeseredy, Stu Cowan, Martin D. Schwartz, 2023-10-02 Skating on Thin Ice exposes the culture of toxic masculinity in professional hockey and suggests how sport and society can change the narrative on sexual assault and violence Why is it that professional sports and notably hockey remain a bastion for rape culture and violence against women What are the conditions that allow a culture of toxic masculinity to persist despite awakenings elsewhere in society What is the path forward and how do we make officials coaches and athletes accountable Drawing on decades of award winning sociological research and sports journalism Walter S DeKeseredy Martin D Schwartz and veteran sportswriter Stu Cowan find answers to these questions in Skating on Thin Ice The book examines the abusive misogynistic racist and homophobic behaviors found in professional hockey and explains the larger societal forces that perpetuate and legitimate these harms Confirming a recent federal government inquiry into Hockey Canada s handling of sexual assault allegations the book reveals that young men enter the NHL and other revenue generating hockey leagues already trained and primed to treat women as objects and often

to commit violent acts against them Rooted in the authors work in the sports world as well as their work with activists and governments *Skating on Thin Ice* doesn't just highlight the problem of hockey and rape culture it also provides collaborative solutions for fixing it **Journal of the Philosophy of Sport** ,2004 Sport als Wissenschaft Norbert Gissel,1997 Sex, Violence and the Body Vivien Burr,Jeff Hearn,2008-10-30 Examines sex violence and the body through a focus on the multiple and fascinating relationships between sexuality and wounding in both the real world and representations Drawing on a range of disciplines including cultural and media studies sociology and psychology this book explores social practices such as S M and cosmetic surgery **Warum sich Mann und Frau so schlecht vertragen** Edith Glaser,2001 **The Writers Directory** ,2013 *The Men's Bibliography* Michael Flood,1995 *Journal for the Study of British Cultures* ,1996 Race, Class, & Gender Esther Ngang-ling Chow,Doris Wilkinson,Maxine Baca Zinn,1996-05-21 Resource added for the Psychology includes Sociology 108091 courses Reconstructing Gender Estelle Disch,2006 This anthology focuses on women and men in the United States and the multiple identities that comprise the lives of individuals across gender Drawing from a wide range of sources including research articles essays and personal narratives Disch has chosen accessible engaging and provocative readings that represent a plurality of perspectives and experiences By providing this multidimensional view Disch helps students see how gender operates across numerous categories including race sexual orientation class age and disability Back cover **Gender Inequality** Judith Lorber,1998 **Losing Our Virtue** David F. Wells,1998 Continuing his series begun with *No Place for Truth and God in the Wasteland* David Wells here offers a bold new critique focused this time on the fractured moral vision of society at large and its reflection in today's evangelical church
