## **Sexual Assault In Context Teaching Colle:**

Sexual Assault in Context Christopher Kilmartin, Alan D. Berkowitz, 2014-04-08 Most North American colleges have programs that help students understand the harm done to victims of sexual violence and if prosecuted the potential consequences of their perpetrators. However, only a few programs also address those aspects of masculine culture that surround sexual assault. *Sexual Assault in Context* addresses the undesirable aspects of masculine culture that sustains the violation of women and girls. It examines several typically overlooked patterns of behavior that provide the basis for sexual assault and provides an overview of masculine psychological development as a context for sexual assault. The book also includes prevention strategies, information on funding and consultation issues, and additional resources for investigating further into male gender awareness and sexual assault. The text's hands-on practical approach helps counseling professionals negotiate educational, organizational, and logistical issues in helping college men understand the gendered context of sexual assault and harassment. This resource is intended to help reduce the incidence of sexual assault on college campuses as well as help men gain a greater understanding of cultural gender pressures, relationship skills, their impact on others, and the considerable influence male peer cultures have on how women are treated. *Sexual Assault in Context* provides an easy-to-read synopsis of male gender and sexual assault education strategies. It is intended as a resource for college counseling and/or violence prevention programs and for those interested in understanding the psychological and social effects of the current culture of masculinity.

Masculinities in Higher Education Jason A. Laker, Tracy Davis, 2011-07-15 *Masculinities in Higher Education* provides empirical evidence, theoretical support, and developmental interventions for educators working with college men both in and out of the classroom. The critical philosophical perspective of the text challenges the status quo and offers theoretically sound educational strategies to successfully promote men's learning and development. Contesting dominant discourses about men and masculinities and binary notions of privilege and oppression, the contributors examine the development and identity of men in higher education today. This edited collection analyzes the nuances of lived identities, intersections between identities, ways in which individuals participate in co-constructing identities, and in turn how these identities influence culture. *Masculinities in Higher Education* is a unique resource for graduate students and professional post-secondary educators looking for strategies to effectively promote college men's learning and development.

*College Hookup Culture and Christian Ethics* Jennifer Erin Beste, 2018 What do undergraduates really think about parties, hookups, and relationships? After analyzing their own complex social reality, Jennifer Beste's students engage in dialogue with theologians, ethicists, and social scientists about paths to happiness and the best ways to create sexual and relational justice on their college campuses.

*Men's Violence Against Women* Christopher Kilmartin, Julie Allison, 2007-03-28 This text offers a balance of clinical and social psychological theory and research as well as prevention and intervention techniques with the purpose of understanding and ultimately ending gender-based violence. The authors address several forms of violence.

including rape intimate partner violence stalking and sexual harassment in a contempor

Encyclopedia of Interpersonal Violence Claire M. Renzetti, Jeffrey L. Edleson, 2008-06-19 This Encyclopedia is the definitive resource for students researchers and practioners needing further informationon various aspects of interpersonal violence including different forms of interpersonal violence incidence and prevalence theoretical explanations public policies and prevention and intervention strategies

*Bullying, School Violence, and Climate in Evolving Contexts* Ron Aşor, Rami Benbenishty, 2019 This book outlines a novel unifying model that brings together these previously distinct literatures We present an ecological model of school violence bullying and safety in evolving contexts to integrate all we have learned in the last decade and suggest ways to move forward

Journal of College Student Development ,2007 *College Student Journal* ,2009 Men & Masculinities [2 Volumes] Michael S. Kimmel, Amy Aronson, 2004 The first encyclopedia to analyze summarize and explain the complexities of men s lives and the idea of modern manhood The process of making masculinity visible has been going on for over two decades and has produced a prodigious and interesting body of work But until now the subject has had no authoritative reference source Men Masculinities a pioneering two volume work corrects the oversight by summarizing the latest historical biological cross cultural psychological and sociological research on the subject It also looks at literature art and music from a gender perspective The contributors are experts in their specialties and their work is directed organized and coedited by one of the premier scholars in the field Michael Kimmel The coverage brings together for the first time considerable knowledge of men and manhood focusing on such areas as sexual violence intimacy pornography homophobia sports profeminist men rituals sexism and many other important subjects Clearly this unique reference is a valuable guide to students teachers writers policymakers journalists and others who seek a fuller understanding of gender in the United States Nearly 400 A Z entries from aging and intimacy to puberty and Westerns Cross references in each entry to other relevant entries An impressive list of contributors including many of the world s premier scholars Illustrations of key historical events people and ideas that enhance understanding of the material

**Sex Crimes and Paraphilia** Eric W. Hickey, 2006 This book covers an array of sex crimes sex offenders and their victims It provides an in depth examination of the role fantasy and paraphilia play in the production of sex offending While many paraphilia may not be considered criminal others can be viewed as preparatory behavior that become foundational for violent sex crimes

**The Process of Masculine Subjectivity** Lisa Marie Sanders, 2005 **American Journal of Health Education** ,2003 **Journal of College Student Personnel** ,1987 **An Investigative Study of the Abuse of Girls in Ghanaian Basic Schools** Vivian Sarpomaa Fiscian, 2003 Six Lenses for Anti-oppressive Education Kevin K. Kumashiro, Bic Ngo, 2007 This book offers a range of conceptual and curricular resources for elementary and secondary educators as well as teacher educators interested in exploring new and innovative ways to challenge racism classism sexism heterosexism and other forms of oppression in the classroom It blends analyses of and recommendations for K 12 education and teacher education and focuses on the barriers

we often confront when teaching learning and learning to teach toward social justice The authors work in K 12 schools and teacher education programs across North America and advocate perspectives and practices that when combined promise to take the field of anti oppressive education in helpful groundbreaking directions This book is divided into six parts each part consisting of two or three chapters that explore in different ways a theme of anti oppressive education The chapters reflect a range of content areas social studies English language arts foreign languages health natural sciences and mathematics in both K 12 education and teacher education student and teacher populations elementary secondary university social differences and oppressions based on race culture social class gender sexual orientation language age disabilities activities simulations service learning book clubs lesson planning and research methods historiography curriculum analysis discourse analysis case study self study
