who he is and a timeless journey into how he views the world and his concern with where it is heading Ironically though his poems show us just how much we have in common with the author while causing us to reflect on who we are as individuals and we re going as a nation These poems make us laugh at times But more often think deeper than we may care to do so making us question our opinions and our collective behavior as a society

Three Rivers Run Deep A Pittsburgh Poet's Anthology Dessie Bey, **Flames in the Fire** Phillip Shabazz, 2013-05 This is a spectacular body of work I don t use the word spectacular often It wrenched me inside out and reassembled me whole Shabazz naps with one eye open where suffering and courage encapsulate lifetimes of experience Be careful his poems shamelessly offer grenades in lunch boxes posed as gifts Jaki Shelton Green 2009 Piedmont Laureate and winner of the North Carolina Award for Literature One word AMAZING A powerful moving collection from a poet at the height of his powers From passionate lyrics to meditative narratives Shabazz s poems are peopled with unforgettable characters real human beings friends family revolutionaries and lost wild men lurking city streets for something more than a handful of change This book is not a confessional rather a meditation on a life lived and confirms that to be the Phoenix one must first endure the fire only then can one rise from the ashes Howard L Craft poet playwright In a world ruled by indifference in which the glimmer of past embers appear barely visible Shabazz s words remind us that if we train our eyes to listen it is obvious for all to see that from Ganazumba to Hotada Francis from the rage of loss to the reinvention of the soul from the end of a world to the building of that other world of collective love found in the sweetness of mother s cooking Black Fire lives on Alvaro Reyes Assistant Professor University of North Carolina Chapel Hill

Thinker Review ,1992 **A Poets Price** Ali Shabazz, 2018-08-17 The Incomparable Thoughts of the prolific poet El Shabazz are cleverly arranged in a majestic almost surreal language that speaks directly to the heart body and soul Word for word you ll find yourself catapulted into colorful worlds of love fantasy and romance Love is a poets greatest muse The Poet illustrates Love and heartbreak like you ve never seen it before Enjoy a moment of blissful trips swirling around sensual word play with masculine tone and vulnerability Not since the heroin days of Hafiz the great mystical poet of love and wine has a poet poured into his work the spirit of lovers set ablaze in the passions of unquenchable love and emotional whirlpools that come to a simmering still on the beachfronts sunsets of the Soul

Understanding the New Black Poetry Stephen Evangelist Henderson, 1973 Stephen Henderson has edited an anthology of the best of black poetry with an emphasis on the poetry of the 60 s But this anthology differs from others in significant ways First the introduction is extensive giving tentative answers to such questions as What makes a poem black Who decides What criteria does one use The author s thesis is that the new black poetry s main referents are black speech and black music Second the author explores the many forms that black poets use commenting on what is black technically in the poetry Third the poems anthologized include examples from the oral folk sermon spirituals blues ballad rap as well as the literary tradition From publisher s description
