AirPods 2019: Buyer's Guide J.

Davidson,2019-02-11 The AirPods by Apple was something of a game changer when it comes to how you listen to your music
The AirPods came out on December 13 2016 So it has been just over two years Most people who use AirPods really use them daily or multiple times throughout the day
If you think of how many times you use your own earphones you will probably be able to imagine how useful and convenient it would be to have ones that are wireless
However if you had gone ahead and bought yourself a pair of AirPods when they were first released in December of 2016 then you would have already been enjoying the convenience and the quality
Perhaps even you're excitedly looking forward to the next release of something similar by Apple
Let us check out the AirPods and the features that are offered
