Ambiguity in Shakespeare's History Play King Henry V Michael Trinkwalder, 2012-05-29 Seminar paper from the year 2012 in the subject Didactics for the subject English Literature Works grade 1 00 Staatliche Berufliche Oberschule Fachoberschule Berufsoberschule Kaufbeuren language English abstract King Henry V has always been considered as Shakespeare's most patriotic play one could even argue his most nationalistic play King Henry V appears to be the story of the ideal English king who is brave charismatic honourable and pious or as Shakespeare puts it he is the mirror of all Christian kings who fights for what is righteously his and leads his band of brothers to victory against impossible odds However to truly understand Shakespeare's motivations we have to take a look at the tumultuous time in which the play was written Under the reign of Elizabeth I England had either been at war or at the constant threat of one for decades It was a time of frequent conspiracies to overthrow the queen and bloody rebellions In this context the play can be seen as an attempt to raise the morale and to rally the English around a common cause This interpretation becomes plausible given the fact that the play's popularity increased whenever England was threatened for example in both world wars and the Napoleonic wars Nevertheless King Henry V is not just simple wartime propaganda it's an ambiguous play which can be interpreted both as a glorification of war or alternatively as a subtle critique of the cruelty and futility of war It lies entirely in the eye of the beholder Someone with a patriotic point of view might identify himself with the virtuous Henry or admire that although weakened by plague and famine the English soldiers and their king defeat a superior French army whereas a more critical reader might question the legitimacy of waging a war of aggression in the first place Furthermore particularly modern readers feel disgusted by the killing of the unarmed prisoners at the battle of Agincourt Nowadays it would **Bookseller and the Stationery Trades' Journal** ,1891 **The Nation** ,1882
