year that has helped hundreds of new entrepreneurs hit the million dollar level by using an exclusive and foolproof formula. By cutting out the noise and providing a clear and proven plan, this roadmap helps even brand new entrepreneurs make decisions quickly, get their product up for sale, and launch it to a crowd that is ready and waiting to buy. This one-year plan will guide you through the three stages to your first 1 million.

The Grind Months 0-4 This step-by-step plan will help you identify a winning product idea, target customers that are guaranteed to buy, secure funding, and take your first sale within your first four months.

The Growth Months 5-8 Once you're in business, you will discover how to use cheap and effective advertising strategies to get your product to at least 25 sales per day so you can prove you have a profitable business.

The Gold Months 9-12 It's time to establish a series of products available for sale until you are averaging at least 100 sales per day, getting you closer to the million-dollar mark every single day.

Through his training sessions at Capitalism.com, Ryan Daniel Moran has helped new and experienced entrepreneurs launch scalable and sustainable online businesses. He's seen more than 100 entrepreneurs cross the seven-figure barrier, many of whom go on to sell their businesses. If your goal is to be a full-time entrepreneur, get ready for one chaotic, stressful, and rewarding year. If you have the guts to complete it, you will be the proud owner of a million-dollar business and be in a position to call your own shots for life.

The March Out Booklet: How To Pass Your March Out 100% Guaranteed was written to provide serving armed forces personnel with a step-by-step guide to follow when doing march out cleaning in order to achieve the much desired pass result as a predictable outcome every time. After having successfully completed and attended over a hundred march outs, Mervin Mitchel wanted to make a greater contribution to the wider military community to help alleviate the amount of stress and anxiety that armed forces personnel experience when faced with the handing over of their military quarters.
