Should Abortion Rights Be Restricted:

Should Abortion Rights be Restricted? Auriana Ojeda, 2003 In this anthology authors debate whether abortion rights should be upheld Issues discussed include the Supreme Court decision Roe v Wade late term abortion procedures and parental involvement laws for minors among many others The Abortion Rights Controversy in America N. E. H. Hull, William James Hoffer, Peter Charles Hoffer, 2018-09-25 Beginning with the introduction of abortion law in the nineteenth century this reader includes important documents from nearly two hundred years of debate over abortion These legal briefs oral arguments court opinions newspaper reports opinion pieces and contemporary essays are introduced with headnotes that place them in historical context Chapters cover the birth control movement changes in abortion law in the 1960s Roe v Wade the Hyde Amendment and the Freedom of Access to Clinic Entrances Act state and federal regulation of abortion practices and the freedom of speech cases surrounding anti abortion clinic protests The first section of each chapter sets the stage and explains the choice of documents This rich balanced collection is an indispensable reference tool for the study of one of the most passionate debates in American history It brings together the writings of doctors lawyers scientists philosophers elected officials judges and scholars as few other legal readers do and it is essential reading for those engaged in the ongoing debate about abortion law in the United States *Abortion* Wendy Lanier, 2009-04-03 According to the Pew Research Center 59 percent of Americans say abortion should be legal However nearly four in ten Americans say that abortion is morally wrong Individual states continue to be polarized and have instituted their own restrictions on this controversial issue This comprehensive volume explores the debate surrounding abortion the history of the procedure arguments for and against it and its physical and psychological consequences *Perspectives on the Politics of Abortion* Ted G. Jelen, 1995-08-22 Perspectives on the Politics of Abortion examines the abortion issue from ethical empirical and legal angles and offers some rather unconventional analyses and surprising conclusions with regard to this familiar issue One chapter argues that the emphasis on rights has made illegal and occasionally violent activity on the part of pro life activists increasingly likely Another chapter suggests that abortion is an instance of the more general right to self defense A chapter considers the problem of abortion from the standpoint of participants in the political process And chapters examine the political tactics of the Roman Catholic Church and abortion rights in terms of constitutional due process This important volume adds new voices and perspectives to the abortion debate *ABA Journal*, 1992-05 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association The Abortion Controversy Lucinda Almond, 2007 The debate over whether or not abortion should be a legal option continues to divide Americans long after the U S Supreme Court's 7 2 decision on Roe v Wade declared the procedure a fundamental right The essays in this anthology provide contrasting views on the abortion controversy and are sourced from a number of organizations including the U S Conference of Catholic Bishops the Life and Liberty Ministries the

Center for Reproductive Rights and the Freedom from Religion Foundation A question and response format prompts readers to evaluate complex topics from multiple angles By evaluating and understanding divergent opinions students can attain a balanced knowledge of the issues Important facts perfect for report writing are dispersed throughout in boxed insets

Religious Freedom and Indian Rights Carolyn Nestor Long,2000 The Supreme Court s controversial decision in Oregon v Smith sharply departed from previous expansive readings of the First Amendment s religious freedom clause and ignited a firestorm of protest from legal scholars religious groups legislators and Native Americans A major event in Native American history the case attracted widespread support for the Indian cause from a diverse array of religious groups eager to protect their own religious freedom and led to an intense tug of war between the Court and Congress Carolyn Long provides the first book length analysis of Smith and shows why it continues to resonate so deeply in the American psyche

Back cover **Lone Star Politics** Ken Collier,Steven Galatas,Julie Harrelson-Stephens,2023-02-01 In Texas myth often clashes with the reality of everyday government Explore the state s rich political tradition with the Eighth Edition of Lone Star Politics Utilizing a comparative approach the authors set Texas in context with other states constitutions policymaking electoral practices and institutions as they delve into the evolution of its politics Critical thinking questions and unvarnished Winners and Losers discussions guide students toward understanding Texas government and assessing the state s political landscape The Eighth Edition includes a brand new chapter on Civil Rights and Civil Liberties along with the tried and true updates in every chapter that highlight the push pull relationship between the state federal and local governments *God*

and Man in the Law Robert Lowry Clinton,1997 In a wide ranging study based on legal history political theory and philosophical ideas going all the way back to Plato and Roman law Robert Clinton challenges current faith in an activist judiciary Claiming that a human centered Constitution leads to government by reductive moral theory and illegitimate judicial review he advocates a return to traditional jurisprudence and a God centered Constitution grounded in English common law and its precedents **The Battle Over Abortion** Keith Melville,1990 Abortion Stephen Currie,2000

Presents opposing viewpoints on abortion discussing such issues as morality legality restriction of abortion rights and research using aborted fetal tissue **The Supreme Court** Peter Charles Hoffer,William James Hoffer,N. E. H. Hull,2007 For more than two centuries the U S Supreme Court has provided a battleground for nearly every controversial issue in our nations history This veteran team of talented historians produces the most readable astute and up to date single volume history of this venerated institution **Roe V. Wade** N. E. H. Hull,Peter Charles Hoffer,2001 The issue of abortion has

sharply divided America The bitter debate over Roe v Wade in the courts legislatures press and streets has grown ever more ferocious since the Supreme Court s landmark decision in 1973 For years pro choicers have applauded Roe as a guarantee of women s rights while pro lifers have condemned it as the work of an activist and atheistic Court Now it looms at the centre of a growing political storm as a new president and old Court and a divided Congress reconsider Roe s status in the wake of the

controversial 2000 elections Social Issues Nils I. Bateman, David M. Petersen, 1990 **The Practice of Social Research** Earl R. Babbie, 2020-05-22 Packed with hands on applications Babbie's THE PRACTICE OF SOCIAL RESEARCH 15th Edition equips your students with the tools they need to practically apply research concepts as both researchers and consumers Known as the gold standard for research methods the text delivers a comprehensive straightforward introduction to the field of research as practiced by social scientists Dr Babbie emphasizes the research process by showing students how to design and construct projects introducing the various observation modes in use today The new edition includes What do you think puzzles that immediately draw students into chapter concepts General Social Survey data is updated throughout while new coverage includes the global use of social research the emerging role of big data demographic analysis and more Also available MindTap digital learning solution *The American Journal of Psychiatry*, 1993-09 **Political Science Quarterly**, 1997 Offers timely analysis of both domestic and foreign policy issues as well as of political institutions and processes **Justice Kennedy's Jurisprudence** Frank J. Colucci, 2009 Examines the judicial philosophy of Supreme Court Justice Anthony M Kennedy who has been the critical swing vote on the Court for the last 20 years *Morality Politics in American Cities* Elaine B. Sharp, Yvette M. Alex-Assensoh, 2005 Topless bars casino gambling needle exchange programs for drug addicts there's no question morality issues remain front and center in urban politics Presenting a systematic analysis of culture war issues at the local level Elaine Sharp shows how American cities deal with these ongoing concerns Drawing on a sample of ten strategically chosen cities she explains differences in how municipalities respond to controversies surrounding sex business abortion clinics legalized gambling gay rights and drug use By analyzing the relative importance of subculture economics and institutional arrangements in the disputes she points the way toward richer and more complete understanding of how different cities respond differently to these hot button issues Far more than a statistical study *Morality Politics in American Cities* is a collection of fascinating stories of real people grappling with down to earth issues and real life drama richly informative case studies that will captivate students and interested citizens alike Mayors public health directors activists and others speak their minds about the pros and cons of these controversies Here are officials in one city confronting the Vatican over funding for abortion services those in another battling a local university over its refusal to provide health benefits to gay partners of faculty members and still others mounting a massive community sponsored attack on topless clubs These stories provide detailed evidence to support classifications needed for comparing cities experience with each of the five morality issues They also corroborate inferences drawn from the comparisons by showing what considerations were in play as local officials grappled with these issues Overall the study shows that cultural factors usually dominate policymaking in local politics except when specific economic interests are at stake and also observes that county level governments are more important than previously thought in terms of morality issue decisions As provocative as it is informative *Morality Politics in American Cities* demonstrates that such issues same sex marriage for example are

multidimensional and often difficult to resolve Its conclusions however contingent mark an important step in the ongoing process of understanding important differences in approaches to these issues and clearly show how moral conflicts continue to define American politics *First Things* ,1992
