Betsy Paul Herndon, 2024-11-17 What happened two hundred years ago to the Bell family of northern Tennessee Was there a malignant entity who openly afflicted the family over a period of five years causing the death of John Bell and irretrievably disrupting the life of young Betsy Bell who bore the brunt of the punishments doled out by the Bell Witch Numerous accounts and witnesses of the time indicate a supernatural origin of the Witch Even the famous Andrew Jackson apparently ran afoul of the Bell Witch when he visited the Bell home For over two centuries supernatural and psychic explanations have been the accepted wisdom surrounding the Bell Witch Now author Paul Herndon who grew up near the historic Bell farm in northern Tennessee offers his own theory on the origins of the Bell Witch and the role of Betsy Bell as the central protagonist surrounding the two hundred year old mystery *Travellers and Showpeople* Jean Ryan Hakizimana, Louise Harrington, 2009-10-02 The late twentieth century has witnessed a particular prominence assigned to the discourses of difference and Otherness An examination of this othering discourse as related to Travellers Gypsies and Showpeople enumerates the projective function of the Othering process a form of rejection and marginalisation that is the institutionalization of ideas which are seldom challenged The history of Traveller and Gypsy Othering in Europe points to the constant re articulation of reductionist stereotypes as applied to a wide range of nomadic peoples and the creation of a mythic Traveller Gypsy prototype that is based on a series of endlessly repeated generalizations which gradually assume the status of an objective truth This discourse of representation has culminated in powerful institutional attitudes many of which have influenced official and policy responses to these minorities This volume brings to surface the hidden histories and discourses of the peoples of the road those migratory peoples whose unique expressions of identity have often hitherto remained occluded We live in the era of the Other the era of difference the era of migration that stranger who waits silently at the border crossing battered suitcase in hand Travellers and Roma are the archetypal migrants Perennial outsiders they are the people who have lived on society's margins for centuries This volume explores the history of these traditionally migrant peoples within the frame of articulation that is Western literary and visual culture *Human Resource Management for the Event Industry* Lynn Van Der Wagen, Lauren White, 2014-10-17 Human Resource Management for Events still remains the only text to introduce students to the unique application of HR principles in the context of a highly complex event environment Linking theory research and application it looks at the purpose and processes of managing such a sizable varied workforce in a highly pressured environment through the differing and various types of events from sporting to arts to business events Since the first edition there have been many important developments in this field and this second edition has been completely revised and updated in the following ways extensively updated content to reflect recent issues and trends including labour markets and industry structure impacts of IT and social media risk management volunteer motivation talent management equal opportunities and managing diversity All explored specifically within the Events Industry extended
