

RICHARD KLUGER

For the past few years, the *Journal of Interpersonal Violence* has been publishing a special issue on "Gender Inequality and Violence Against Women." This special issue is a testament to the fact that gender inequality is a global problem, and it is one that we must address if we want to create a more equitable and just world for all.

Marshall and other civil rights lawyers to take up the issue and bring it to the Supreme Court After the Brown v Board of Education ruling girls far outnumbered boys in volunteering to desegregate formerly all white schools In *A Girl Stands at the Door* historian Rachel Devlin tells the remarkable stories of these desegregation pioneers She also explains why black girls were seen and saw themselves as responsible for the difficult work of reaching across the color line in public schools Highlighting the extraordinary bravery of young black women this bold revisionist account illuminates today s ongoing struggles for equality

The Sound of Sheer Silence and the Killing State Millard Lind,2004 This book unambiguously opposes capital punishment as the immoral act of the killing state Lind traces Yahweh s saving action and steadfast love for Israel and the world from Moses to Elijah to Jesus and shows how they are to be emulated on the societal level by obedience to covenant law This leads to his conclusion that capital punishment is to be opposed because from the perspective of the God revealed in the Bible determined in Lind s view by the careful reading of the text he has attempted here capital punishment is simply wrong
