Simple Shaker Murder:

"Wo keine Regierung existiert, gibt es keinen Gott" Tanja Kasischke, Tanja Martina Kasischke, 2008 Die Arbeit zitiert die protestantische Religionsgemeinschaft der Shaker United Society of Believers eine zunächst in England ansässige radikalisierte Quaker Gruppe die 1774 nach Amerika immigrierte Wo keine Regierung existiert gibt es keinen Gott das suggeriert eine nachhaltige Thematisierung des Zusammengehens von Kirche und Nation im sogenannten antebellum Vorkriegszeit Amerika zwischen 1780 und 1860 Die Reflexion dieser Wechselseitigkeit die in der Verfassung gleichzeitig auf einen Vorstand hier galt die Trennung von staatlicher Ordnung und theologischen Doktrinen bestimmte offensichtlich alle gesellschaftlichen und regionalen Dimensionen der jungen Nation denn die Shaker stellten nur ein kleines Segment des in der antebellum ra entstehenden religiösen Feldes der Vereinigten Staaten dar Ihr Porträt reflektiert das zivilreligiöse Verständnis in den Jahrzehnten zwischen Revolution und Bürgerkrieg *Historical Dictionary of the Shakers* Stephen J. Paterwic, 2017-06-15 Shakerism teaches God's immanence through the common life shared in Christ's mystical body Like many religious seekers throughout the ages they honor the revelation of God but cannot be bound up in an unchanging set of dogmas or creeds Freeing themselves from domination by the state religion Mother Ann Lee and her first followers in mid 18th century England labored to encounter the godhead directly They were blessed by spiritual gifts that showed them a way to live the heavenly life on Earth The result of their efforts was the fashioning of a celibate communal life called the Christlife wherein a person after confessing all sin through the indwelling of the Holy Spirit can travel the path of regeneration into ever increasing holiness Pacifism equality of the sexes and withdrawal from the world are some of the ways the faith was put into practice This second edition of *Historical Dictionary of the Shakers* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on Shaker communities industries individual families and important people This book is an excellent resource for students researchers and anyone wanting to know more about the Shakers *A Simple Shaker Murder* Deborah Woodworth, 2000 **Mystery Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume
