Walk Two Moons Sharon Creech, 2020-09-17 Don't judge a man until you've walked two moons in his moccasins. What is the meaning of this strange message left on the doorstep? Only Sal knows, and on a roadtrip with her grandparents she tells the bizarre tale of Phoebe Winterbottom, Phoebe's disappearing mother, and the lunatic But who can help Sal make sense of the mystery that surrounds her own story and her own missing mother

Russian Folktales A. N. Afanas'ev, 2021-02-23 Any editor of Slav folktales starts with great advantages. Russia is a country where artistic development began very late where popular lore was conserved with little alteration owing to the immensities of the country, the primitiveness of the people, and the punctiliousness of the compilers. The principal source for Russian folktales is the great collection of Afanasev, a coeval of Rybnikov, Kireyevski, Sakharov, Bezsonov, and others, who all from about 1850 to 1870 laboriously took down from the lips of the peasants of all parts of Russia what they could of the endless store of traditional song, ballad, and folktale. These great collectors were actuated only by the desire for accuracy; they appended laboriously erudite notes, but they were not literary men and did not sophisticate or improve on their material

Justice in Young Adult Speculative Fiction Marek C. Oziewicz, 2015-04-17 This book is the first to offer a justice focused cognitive reading of modern YA speculative fiction in its narrative and filmic forms It links the expansion of YA speculative fiction in the 20th century with the emergence of human and civil rights movements with the communitarian revolution in conceptualizations of justice and with spectacular advances in cognitive sciences as applied to the examination of narrative fiction Oziewicz argues that complex ideas such as justice are processed by the human mind as cognitive scripts that scripts when narrated take the form of multiply indexable stories and that YA speculative fiction is currently the largest conceptual testing ground in the forging of justice consciousness for the 21st century world Drawing on recent research in the cognitive and evolutionary sciences Oziewicz explains how poetic retributive restorative environmental social and global types of justice have been represented in narrative fiction from 19th century folk and fairy tales through 21st century fantasy dystopia and science fiction Suggesting that the appeal of these and other nonmimetic genres is largely predicated on the dream of justice Oziewicz theorizes new justice scripts as conceptual tools essential to help humanity survive the qualitative leap toward an environmentally conscious culturally diversified global world This book is an important contribution to studies of children s and YA speculative fiction adding a new perspective to discussions about the educational as well as social potential of nonmimetic genres It demonstrates that the justice imperative is very much alive in YA speculative fiction creating new visions of justice relevant to contemporary challenges
