Perry,Amy Phillips,2002 The I Series Applications textbooks strongly emphasize that students learn and master applications skills by being actively engaged by doing These texts have been written with clear error free and unambiguous steps to accomplish tasks that lead to a finished document worksheet or database table The authors made the decision that teaching how to accomplish some task is not enough for complete understanding and mastery Prior to introducing steps the authors discuss why the steps students are about to experience are important and what role the steps play in the overall plan for creating a document workbook or database

Essentials of Economics Bradley R. Schiller,2007 *Essentials of Economics* is the market leader for the one semester survey course In just about 400 pages it provides a solid introduction to the core concepts of economics with an emphasis on real world examples and current events *Essentials* has earned its popular success because unlike other books on the market it is free of the abstract and complex theory that requires more time than this course allows Instead the text is clean and concise with many examples of significance to students today including Headlines and Policy Perspectives that use current events to help illustrate the topics discussed This real world policy emphasis is a distinctive feature of Schiller s text and is integral to its dominance of the survey text market **The New York Times Index** ,2008 GameAxis Unwired ,2007-07 GameAxis Unwired is a magazine dedicated to bring you the latest news previews reviews and events around the world and close to you Every month rain or shine our team of dedicated editors and hardcore gamers put themselves in the line of fire
