## Si Phaendin Four Reigns I ii:

Si phaendin [engl. Four reigns M. R. Kukrit Pramoj, 1981      *Four Reigns* Kukrit Pramoj, 1998-01-01 Translated by Tulachandra Four Reigns Si Phaendin M R Kukrit's longest and best known novel is the rich and entertaining story of the life of Phloi and her family both inside and outside palace walls The story unfolds during the reign of King Chulalongkorn King Rama V in the closing years of the 1800s ending in the mid 1940s with the death of his grandson King Ananda Mahidol King Rama VIII Over a span of four reigns we see the lives of minor courtiers under the absolute monarchy and watch the huge social and political changes that Thailand experienced as it opened itself up to international contact We follow the characters against the historical backdrops of the 1932 revolution the new constitutional monarchy the growing Japanese presence in Thailand the outbreak of World War II and the Allied bombing raids on Bangkok Through the lives and relationships of Phloi and her husband and children we experience modern Thai history in an intimate and personal way garnering new insights into the sensibilities of an era Four Reigns was originally written in 1953 as a newspaper serial in the Thai daily Siam Rath as were M R Kukrit's other popular novels including Phai Daeng Red Bamboo 1954 and Lai Chiwit Many Lives 1954 This is a new version of the original 1981 translation by Tulachandra      **Read till it shatters** Thak Chaloemtiarana, 2018-08-27 This book introduces readers to modern Thai literature through the themes of modernity nationalism identity and gender In the cultural political and social transformations that occurred in Thailand during the first half of the twentieth century Thai literature was one of the vehicles that moved the changes Taking seriously read till it shatters a Thai phrase that instructs readers to take apart the text to break it down to deconstruct it Thak Chaloemtiarana challenges the Thai literary canon from the margins and suggests ways of expanding and enriching it Thai literature is scarce in translation and requires the skills of a scholar fluent in Thai to comprehend it Thak is a political scientist turned literary scholar who is bilingual in Thai and English and an avid reader of Thai fiction by authors up and down the social scale Here he offers lively insights into his favourite literary genres with fresh readings of early Thai novels Sino Thai biographies and memoirs of the rich and famous Thak Chaloemtiarana is an inquisitive man Late in his career he switched from politics to literature In these chapters he draws on a lifetime of reading about writers and writing in Thailand over the past century He nods towards the usual big names King Vajiravudh Luang Wichit Kulap Saipradit Kukrit Pramoj but spends more time on those found in the lesser visited stacks of the libraries the secondhand bookstalls and the shelf by the supermarket checkout His themes are familiar Thailand and the West Thai nationalism the Thai Chinese and women under patriarchy but the angles of vision are original With a cast ranging from motor racing princes through sexy Egyptian mummies and a feminist serial murderer to starlets touting breast enhancement techniques this book educates enlightens and entertains      **Thailand** Charnvit Kasetsiri, 2022-04-29 As a historian Charnvit Kasetsiri is not satisfied simply to have found an instructive angle from which to explore the mysteries in a modern experimental monarchy His keen sense of time has filled his narrative with insights that only a few people could have

identified To me that is a mark of one with a fine sense of what the past can mean I thank him for the chance to see this mature and thoughtful Charnvit at work and commend this book to everyone who wants to understand Thailand better Wang Gungwu National University of Singapore Charnvit makes clear in the final pages of Thailand A Struggle for the Nation that he is not very sanguine about the country's future During Thailand's democratic spring in 1974 the Thai constitution was changed to allow female succession This apparent loosening of male prerogative had no effect on the reign change in 2016 when the designated male heir Prince Vajiralongkorn succeeded without challenge to become the tenth Bangkok king Communism long gone as the spectre that once haunted Thailand's political order has been replaced by another The spectre now haunting Thailand is authoritarianism Craig J Reynolds Australian National University
