Ruth Langer,2012-01-12 Ruth Langer offers an in depth study of the birkat haminim a Jewish prayer for the removal of those categories of human being who prevent the messianic redemption and the society envisioned for it In its earliest form the prayer cursed Christians apostates to Christianity sectarians and enemies of Israel Drawing on the shifting liturgical texts polemics and apologetics concerning the prayer Langer traces the transformation of the birkat haminim from what functioned without question in the medieval world as a Jewish curse of Christians through its early modern censorship by Christians to its modern transformation within the Jewish world into a general petition that God remove evil from the world Christian censorship played a crucial role in this transformation of the prayer however Langer argues that the truest transformation in meaning resulted from Jewish integration into Western culture Eventually the prayer shed its references to any specific category of human being and lost its function as a curse Reconciliation between Jews and Christians today requires both communities to confront a long history of prejudice Ruth Langer shows through the birkat haminim how the history of one liturgical text chronicled Jewish thinking about Christians over hundreds of years **Encounters with American Ethnic Cultures** Philip L.
