The Greatest Game Richard Bradley, 2009-02-03 In this spellbinding book Richard Bradley tells the story of what was surely the greatest major league game of our lifetime and perhaps in the history of professional baseball That game played at Fenway Park on the afternoon of October 4 1978 was the culmination of one of the most tense emotionally wrought seasons ever between baseball's two most bitter rivals the Boston Red Sox and the New York Yankees Both teams finished this tumultuous season with identical 99 64 records forcing a one game playoff With a one run lead and two outs with the tying run in scoring position in the bottom of the ninth the entire season came down to one at bat and to one swing of the bat It came down as both men eerily predicted to themselves the night before to the aging Red Sox legend Carl Yastrzemski and the Yankees free agent power reliever Rich Goose Gossage Anyone who calls himself a baseball fan knows the outcome of that confrontation And yet such are the literary powers of the author that we are pulled back in time to that late afternoon moment and become filled anew with all the taut sense of drama that sports has to offer as if we don't know what happened As if the thoughts swirling around in the heads of pitcher and hitter are still fresh both still hopeful of controlling events That climactic game occurred thirty seasons ago and yet it still captures our imagination In this delightful work of sports literature we watch the game unfold pitch by pitch inning by inning but Bradley is up to something more ambitious than just recounting this wonderful game He also tells us the stories of the participants how they got to that moment in their lives and careers what was at stake for them personally including the rivalries within the rivalry such as catcher Carlton Fisk versus catcher Thurman Munson and Billy Martin versus everyone Using a narrative that alternates points of view between the teams Bradley reacquaints us with a rich roster of characters Freddy Lynn Ron Guidry Catfish Hunter Mike Torrez Jerry Remy Lou Piniella George Scott and Reggie Jackson And of course

Bucky Dent who craved just such a moment in the sun a validation he had vainly sought from the father he barely knew Not a book intended to celebrate a triumph or lament a loss The Greatest Game will be embraced in both Boston and New York with fans of both teams recalling again the talented young men they once gave their hearts to And fans everywhere will be reminded how utterly gripping a single baseball game can be and that the rewards of being a fan lie not in victory but in caring beyond reason even decades after the fact

The Mindblower **Androids** Randall Edward Foss, 2018-02-01 As androids proliferate become highly skilled and become difficult to tell apart from humans Mytown Mining Inc takes full advantage of the situation to secretly rise up from below and give those responsible for top secret plans in the United States Air Force all that it can handle in the remotest western skies Meanwhile the three members of the Braun family Ben Jenny and Max are plucked from their normal routine to participate voluntarily in the top secret plans along with a few others to battle the crooked corporation sometimes underground but mostly in the air Ben the inventor and manufacturer of the Mindblower a sleek electronic device that boosts memory and enhances mental acuity disappears on a family hike in the rain forest When Jenny his wife and a traveling pharmaceutical sales representative and Max his teenage son try to find him in Jenny's small plane they discover the USAF top secret facilities and its latest top secret aircraft and androids Then as they and their friends continue their search for Ben they find themselves fighting for their lives and for those humans and androids beside them until they discover much more about what really goes on between the military and the bad mining corporation and the future for both humans and androids

The Mindblower **Androids** is the second novel in a trilogy by Randall Edward Foss beginning with *The Mindblower Families* The story continues with *The Mindblower Orbs* coming soon Gradually the recurring characters develop into greater importance as they are thrust deeper into the mysteries behind corporate control over the U S government and over energy economics Mytown Mining Inc using android miners instead of human labor to dig deeper in remote regions first on earth and then in space for new energy reserves must fight off both human and android heroes seeking to curtail its overbearing dominance threatening all human safety and freedom
