## COVER LETTER

---

Dear Hiring Manager,

With a commitment to developing healthcare systems that deliver exceptional patient care, I have followed the advancements at your organization and believe my strategic mindset aligns perfectly with your mission. An opportunity to bring my expertise to your team is one I approach with dedication for transformative healthcare management.

Throughout my tenure at Mount Sinai Health System, I spearheaded the redesign of practice processes for a 50+ staff team, enhancing workflow efficiency by a remarkable 25%. A key initiative included the implementation of a new electronic health record system, which not only increased billing accuracy by 15% but also improved patient scheduling by 20%. This single project perfectly encapsulates my strength in integrating technological innovations to refine operations and positively impact fiscal and clinical outcomes.

I am eager to explore how my proactive approach to managing change and optimizing systems can contribute to your organization. My goal is to not only continue but also build upon the level of excellence you uphold in patient care and operational management. I look forward to the possibility of discussing this exciting opportunity further.

Sincerely,

Victoria Baker
