Second Class Batya Ungar-Sargon, 2024-04-02 A personal journalistic ethnography of the modern American working class based on the travels and interactions of the author through the American heartland *Second Class* is the most important book you will read all year A political realignment is coming and it is my hope that the end result will work in favor of our all too neglected American working class When that realignment comes Batya and her book will help lead the way Greg Lukianoff CEO of the Foundation for Individual Rights in Education and co author of *The Coddling of the American Mind* Who is the American working class Do they still have a fair shot at the American Dream What do they think about their chances to secure the hallmarks of a middle class life While writing this book Batya Ungar Sargon visited states across the nation to speak with members of the American working class fighting tooth and nail to survive In *Second Class* working class Americans of all races political orientations and occupations share their stories cleaning ladies health care aides cops truck drivers fast food workers electricians and more In their own words these working class Americans explain the struggles and triumphs of their increasingly precarious lives as well as what policies they think would improve them *Second Class* combines deep reporting with a look at the data and expert opinion on America's emergent class divide in which the most basic elements of a secure and stable life are increasingly out of reach for those without a college education America has broken its contract with its laboring class So how do we get back to the American Dream How do we once again become the land of opportunity the promised land where hard work and commitment to family are enough to protect you from poverty It is not that hard actually All it would take as this book illustrates is for those in power to once again respect the dignity of work and the American worker

MOVE Tim Lewko, 2025-11-21 Developed by Tim Lewko a 25 year strategy veteran **MOVE** shows leaders how to embed artificial intelligence AI directly into the strategy process and validate strategic bets pressure test assumptions and adapt faster than the competition all while maintaining control over final decisions Traditional strategy frameworks cannot keep up with trade wars supply chain disruptions and shifting consumer behaviour and leaders can no longer afford to wait for annual planning cycles or lengthy strategy retreats **MOVE** responds to this rapid change by simplifying strategy into a clear repeatable system of seven essential tools all powered by AI to accelerate decision making and execution It is a practical leadership owned operating system that aligns strategic assumptions project prioritization and quarterly execution cycles Through examples this book reveals how AI can power real time data analysis surface critical indicators that signal when a strategic bet is veering off course and show when emerging threats require immediate attention In a rapidly changing world **MOVE** is a key tool for senior executives business leaders board members CEOs Presidents and P L owners to regain control across the entire execution cycle

The Social-Structural Determinants of Health Sofie Hass, Jessica R. Corno, Aida Wisecup, 2025-07-29 Today more than ever society is faced with the unequivocal question of developing a better understanding of the interconnectedness between social forces environmental experiences and the outcomes of mental and physical health and well being Post COVID 19 considerations have led to an unprecedented need to establish a more interdisciplinary understanding of the role that social construction has on health and illness and the diverse set of ways that our social world plays in the identification treatment and experience of various diseases and health related conditions Social life is intricately linked to quality of life variables related to health both mental and physical Thus we recognize the invaluable contribution to the field of medicine made by a comprehensive understanding of health wellness and social functioning as a byproduct of the study of the human body and mind However we posit that this knowledge would be incomplete without examining the close relationship between health wellness and those aspects of social environment that create conditions that can either strengthen or undermine the wellbeing of individuals groups of people and entire communities the social structural determinants of health

Dying for a Paycheck Jeffrey Pfeffer, 2018-03-20 In one survey 61 percent of employees said that workplace stress had made them sick and 7 percent said they had actually been hospitalized Job stress costs US employers more than 300 billion annually and may cause 120 000 excess deaths each year In China 1 million people a year may be dying from overwork People are literally dying for a paycheck And it needs to stop In this timely provocative book Jeffrey Pfeffer contends that many modern management commonalities such as long work hours work family conflict and economic insecurity are toxic to employees hurting engagement increasing turnover and destroying people s physical and emotional health and also inimical to company performance He argues that human sustainability should be as important as environmental stewardship You don t have to do a physically dangerous job to confront a health destroying possibly life threatening workplace Just ask the manager in a senior finance role whose immense workload once handled by several employees required frequent all nighters leading to alcohol and drug addiction Or the dedicated news

media producer whose commitment to getting the story resulted in a sixty pound weight gain thanks to having no down time to eat properly or exercise Or the marketing professional prescribed antidepressants a week after joining her employer In Dying for a Paycheck Jeffrey Pfeffer marshals a vast trove of evidence and numerous examples from all over the world to expose the infuriating truth about modern work life even as organizations allow management practices that literally sicken and kill their employees those policies do not enhance productivity or the bottom line thereby creating a lose lose situation Exploring a range of important topics including layoffs health insurance work family conflict work hours job autonomy and why people remain in toxic environments Pfeffer offers guidance and practical solutions all of us employees employers and the government can use to enhance workplace wellbeing We must wake up to the dangers and enormous costs of today's workplace Pfeffer argues Dying for a Paycheck is a clarion call for a social movement focused on human sustainability Pfeffer makes clear that the environment we work in is just as important as the one we live in and with this urgent book he opens our eyes and shows how we can make our workplaces healthier and better

Fall Too Well Erin Branscom, 2025-05-27 Fall Too Well is a spicy second chance workplace romance between a single mom and a sexy smitten broody cowboy Saddle up for this perfect Autumn read I should've married my childhood best

friend but I chose another man Now I'm a single mom back in my hometown trying to make ends meet and he is my new boss The moment our eyes meet I know I'm the last woman on earth Nash McCreedy wants to see Now we're forced to work together and face old memories I've avoided for years Everywhere I look he's there and it doesn't help that he's the only man I've ever loved I ignore him and the bubbling feelings for as long as I can but fail Lines are crossed and we work on rebuilding our relationship and broken hearts When I think we might actually have a chance at forever my ex wreaks havoc on my life sabotaging whatever he can But Nash is there for me saving me something he does for all too well Read this book for Second Chance Romance Single Mom Romance Grumpy Sunshine Reformed Bad Boy Slow Burn Grab a pumpkin spice latte a warm fuzzy blanket and make your way down to Cozy Creek Each book in the collection is a complete stand alone with a happily ever after *Wolt Cooperation Strategy with its Couriers before and after the Covid 19 Pandemic* Ekundayo Bello, 2024-05-15

Master's Thesis from the year 2024 in the subject Business economics Business Management Corporate Governance grade 2 course Master in International Business language English abstract The objective of this study is to provide recommendations on how to improve the cooperation between Wolt and its courier partners during and after the Covid 19 crisis based on the views and opinions expressed by the courier partners in Tallinn The views and opinions of Wolt's courier partners on actions and strategies implemented by Wolt during the pandemic and preferred relationship status will be used to make suggestions on how to improve the cooperation between the two parties According to Statista an online database food delivery platforms along with other service sector businesses in Estonia contributed significantly to GDP over 61% from 2009 to 2019 Moreover the global turnover of 151 526 million in 2021 was forecast in the sector Online Food Delivery with China expected to generate the highest turnover and the estimated turnover for Estonia in 2021 is 20 million Statista 2020 1 Wolt one of the largest e-residency companies in Estonia contributes significantly to the Estonian economy by paying social contributions on behalf of its individual courier partners and paying business courier partners a higher commission to compensate for their tax expenses By the last quarter of 2020 Wolt has paid up to EUR 300 000 in taxes for its courier partners in Estonia Therefore the continued survival and profitability of online food delivery platforms in Estonia is important for the well-being of citizens As the hardship caused by the pandemic continues to transform almost all aspects of human life worldwide the role of online food delivery companies in providing consumers with prepared food cannot be overstated **We Are Watching** Alison Gaylin, 2025-01-28

Gaylin's clean prose and controlled narrative voice bring an all too realistic chill it might also bring to mind the paranoiac claustrophobia of Rosemary's Baby New York Times From USA Today bestselling and Edgar and Shamus Award winning author Alison Gaylin comes a riveting tale of psychological suspense and family bonds in which a mother and daughter are desperate to protect one another as they become targets of a group of violent conspiracy theorists Sometimes the world is out to get you Meg Russo was behind the wheel when it happened She and her husband Justin were driving their daughter Lily to Ithaca College the family celebrating the eighteen year old music

prodigy's future. Then a car swerved up beside them, the young men inside it behaving bizarrely, and Meg lost control of her own vehicle. The family road trip turned into a tragedy. Justin didn't survive the accident. Four months later, Meg works to distract herself from her grief and guilt, reopening her small local bookstore. But soon after she returns to work, bizarre messages and visitors begin to arrive, with strangers threatening Meg and Lily in increasingly terrifying ways. They are obsessed with a young adult novel titled *The Prophecy*, which was published thirty years earlier. An online group of believers are convinced that it heralds the apocalypse, and social media posts link the book and Meg's reclusive musician father to Satanism. These conspiracy theorists vow to seek revenge on *The Prophecy*'s author, Meg. As the threats turn violent, Meg begins to suspect that Justin's death may not have been an accident. To find answers and save her daughter, her father, and herself, Meg must get to the root of these dangerous lies and find a way to face the believers head-on before it's too late.

The Minotaur Sampler, Volume 19 Rebecca Sharpe, Spencer Quinn, Rob Phillips, Matt Goldman, Jenny Elder Moke, Daisy Pearce, 2025-12-02. Looking for a new book that will make your heart race? The nineteenth edition of *The Minotaur Sampler* compiles the beginnings of 6 can't-miss novels publishing April 2026 for free and easy sampling. *Stakeouts and Strollers* by Rob Phillips is a hilarious mystery following an amateur private investigator and new father as he gets more than he bargained for when agreeing to track down a young girl's missing father. In Spencer Quinn's *Cat on a Hot Tin*, Woof Chet, a dog investigator and his human partner, scramble to solve the case of a missing kitty that exposes the dark side of internet fame. Rebecca Sharpe's *Harmless Women* is a pacy thriller that follows a female con artist who chooses the wrong woman as her target, resulting in both women ending up on the run for their lives. *Liar's Creek* by Matt Goldman is a sweeping thriller where three generations of a strained family embark on a search for their missing relative in a picturesque small town that hides grave danger just below the surface of its beauty. Jenny Elder Moke's *Cross Your Heart and Hope He Dies* is an engaging mystery rom-com where a no-nonsense woman in the publishing world must catch a killer in order to land the deal of a century, all while avoiding arrest and love. *Dark Is When the Devil Comes* by Daisy Pearce follows a woman's search for her sister who goes missing shortly after a long-awaited return to her hometown in the English countryside where the woods may be even darker than they seem.

The Last Line of Defense Eric Schmitt, 2025-08-19. A NEW YORK TIMES BESTSELLER. My good friend Eric Schmitt, former Attorney General and now Senator from the GREAT State of Missouri, has a wonderful new book just out entitled *The Last Line of Defense: How to Beat the Left in Court*. Eric is a FIGHTER who beat back Biden's disastrous policies as A.G. and in the U.S. Senate has been working hard to defend our America First Agenda from the Radical Left. Get your copy today. President Donald Trump, one of the Senate's leading conservatives, reveals the key approaches needed for the Right to triumph over liberal lawyers and out-of-control judges. When Joe Biden took office, Eric Schmitt had been attorney general for just over two years and had been focused on tackling violent crime. As soon as he began to see the outrageous excesses of the Biden Administration, he and his team snapped into action, waging war on the

Biden regimes stunning attempts at government overreach winning some of the most important fights in modern American history helping set the stage for a return to commonsense in government Now in *The Last Line of Defense* Senator Schmitt takes readers behind the scenes of those battles for the first time talks about the lessons learned and how conservatives can keep winning in court and beyond He takes you inside some of his biggest wins against Mask mandates and vaccine mandates Student debt forgiveness Restrictions on Second Amendment rights Soros backed prosecutors Woke ideology in our schools Open borders Attacks on free speech The weaponization of government agencies With President Trump back in office and the Left fighting him at every turn it s more important than ever to remember just how close we came to losing it all and why we need to keep playing to win
