ITF Transport Outlook 2023 International Transport Forum, 2023-05-24 The ITF Transport Outlook 2023 examines the impacts of different policy measures on global transport demand and carbon dioxide CO2 emissions to 2050

Revitalizing a Nation Clifford Winston, Jia Yan, 2023-12-20 An efficient transportation system reduces the cost of distance by moving people and goods from their origins to their destinations as cheaply quickly and safely as possible By enabling individuals and firms to be more productive transportation provides the foundation for the development and growth of industries and an entire economy Clifford Winston Jia Yan and Associates argue that competition and innovation are the key drivers of an efficient transportation system The authors provide new evidence that transportation deregulation and privatization that spur additional competition among carriers and infrastructure providers as well as new innovations that create autonomous transportation services have the potential to rid the US transportation system of its major inefficiencies and revitalize the nation

What's Killing America Jason Rantz, 2023-09-26 A stunning book about how America s biggest cities are being destroyed by progressive policies and woke Democrats Many Americans have no idea how badly our largest Democrat run cities have deteriorated We ve been complacent for far too long assuming that the craziest elements of the radical Left would stay confined to the East and West coasts But crime drug addiction homelessness left wing school indoctrination so called inclusive housing policies and outrageous taxes don t stay within the big city limits of places like Los Angeles Chicago Portland New York Seattle and San Francisco The effects of ideologically driven left wing policies always spread which should alarm Americans regardless of their political leanings Jason Rantz is a prominent radio host a trusted journalist and a frequent Fox News guest unafraid to go directly into the action He s grown a national following by breaking news the mainstream media won t covering the consequences of destructive leftist policies wherever they occur He was right there for the chaos in his hometown of Seattle when liberal anarchists declared an autonomous police free CHOP Zone He infiltrates the Antifa marches and knows firsthand how those radicals operate This is the shocking story of what he s learned Employing on the ground reporting and fact based analysis Rantz zooms out to conduct a fascinating detailed data driven study of how these liberal policies result in chaos misery and too often bloodshed He skillfully recounts the tragic events with
