My Type is an unputdownable showstopper COURTNEY KAE      **PEAK** Chip Conley, 2017-10-17 Proven principles for  
sustainable success with new leadership insight PEAK is the popular transformative guide to doing business better written by  
a seasoned entrepreneur CEO who has disrupted his favorite industry not once but twice Author Chip Conley founder and  
former CEO of one of the world's largest boutique hotel companies turned to psychologist Abraham Maslow's Hierarchy of  
Needs at a time when his company was in dire need And years later when the young founders of Airbnb asked him to help  
turn their start up home sharing company into a world class hospitality giant Conley once again used the principles he'd  
developed in PEAK In the decade since this book's first edition Conley's PEAK strategy has been developed on six continents  
in organizations in virtually every industry The author's foundational premise is that great leaders become amateur  
psychologists by understanding the unique needs of three key relationships with employees customers and investors and this  
message has resonated with every kind of leader and company including some of the world's best known from Apple to  
Facebook Avid users of PEAK have found that the principles create greater loyalty and differentiation with their key  
stakeholders This new second edition includes in depth examples of real world PEAK companies including the author's own  
at Airbnb and exclusive PEAK leadership practices that will take you and your company's performance to new heights  
Whether you're at a startup or a Fortune 500 company at a for profit nonprofit or governmental organization this book can  
help you and your people reach potential you never realized you had Understand how Maslow's hierarchy makes for winning  
business practices Learn how PEAK drove some of today's top businesses to success Help employees reach their full potential  
and beyond Transform the customer experience and keep investors happy The PEAK framework succeeds because it elevates  
the business from the inside out These same principles apply in the boardroom the breakroom and your living room at home  
and have proven to be the foundation of healthy fulfilled lives Even if you think you're doing great you could always be doing  
better and PEAK gives you a roadmap to the next level
