Artificial Intelligence in Patient Counselling Bhupendra G. Prajapati, Meghraj Vivekanand Suryawanshi, Jigna Prajapati, Nemat Ali, 2025-11-21 Artificial Intelligence in Patient Counselling investigates how AI is revolutionizing patient counseling and education within healthcare. This book provides a thorough look at innovative AI tools transforming the patient experience from streamlining communication to tailoring treatment plans. Readers explore how AI analyzes patient data to create individualized care strategies, supports patients around the clock with virtual assistants, and uses predictive analytics to identify health risks at earlier stages. The book examines the integration of empathetic AI chatbots and advanced medical imaging, emphasizing how these technologies contribute to improved patient outcomes and more effective healthcare delivery. In addition, the book addresses crucial ethical considerations and highlights real-world case studies demonstrating AI's tangible benefits in patient counseling and education. It's an essential resource for healthcare professionals, policymakers, and technologists seeking to understand and apply AI solutions in modern patient care. Delves into how AI analyzes patient data, including medical histories, genetics, and lifestyles, to create tailored treatment plans. Highlights the role of AI-driven virtual health assistants and chatbots that provide 24/7 support, empathetic conversations, and proactive counseling. Discusses the ethical implications of using AI in healthcare. Presents real-world case studies that illustrate the practical benefits and challenges of AI in patient counseling and education. *Relapse Prevention and Recovery Promotion in Behavioral Health Services*, **The Consumer Action Handbook**, **Stellar Customer Service** Mou Chakraborty, 2016-08-29 From librarians to volunteer workers, staff to student workers, all library personnel need to deliver great customer service. This book presents innovative instructional methods that will inspire you to take a fresh approach to customer service training. Customer service is one of the most critical staff development training areas in the library world. Every member of a library's staff who interacts with the public needs the specialized skills and tools to work with a diverse clientele. This book addresses the need for staff training for various kinds of libraries, covering public and academic libraries of various sizes, medical libraries, law libraries, and state organization and joint use libraries. Each chapter of *Stellar Customer Service Training: Library Staff to Exceed* provides practical advice and creative solutions for showing staff how to handle customer service issues. The book identifies the essential skills and tools staff at all levels, from librarians and staff to student workers and volunteers, must have to contribute to your library's success. Readers will learn innovative training methods, see how a wide range of libraries have approached this perennial staff issue, and get excited about approaching their own customer service training in fresh new ways.
