Tibet Lezlee Brown Halper, Stefan Halper, 2014-04-01 Tibet's enduring myth animated by the tales of Himalayan adventurers British military expeditions and the novel *Lost Horizon* remains an inspirational fantasy a modern morality play about the failure of brutality to subdue the human spirit Tibet also exercises immense soft power as one of the lenses through which the world views China This book traces the origins and manifestations of the Tibetan myth as propagated by Younghusband Madam Blavatsky Himmler Acheson and Roosevelt The authors discuss how after WW2 Tibet isolated misunderstood and with a tiny elite unschooled in political military realities misread the diplomacy between its two giant neighbours India and China forlornly hoping London or Washington might intervene China's People's Liberation Army sought nothing less than to deconstruct traditional Tibet unseat the Dalai Lama and absorb this vast region into the People's Republic and Lhasa succumbed to China's invasion in 1950 Drawing on declassified CIA and Chinese documents the authors reveal Mao's collusion with Stalin to subdue Tibet double dealing by Nehru the brilliant diplomacy of Chou en Lai and how Washington saw sawed between the China lobby who insisted there be no backing for an independent Tibet and Presidents Truman and later Eisenhower who initiated a covert CIA programme to support the Dalai Lama and resist Chinese occupation It is an ignoble saga with few if any heroes other than ordinary Tibetans *Selected Works of Jawaharlal Nehru: 1 May-31 July 1957* Jawaharlal Nehru, 2006 This volume covers nearly eleven weeks from October 6 1948 when Nehru left India for London to attend the Commonwealth Prime Ministers Conference to December 19 when the annual session of the Indian National Congress at Jaipur concluded It collects Nehru's addresses and articles related to this stressful time in world history Among his articles are support for the causes of Indonesia and the Africans in their battles against alien rulers arguments for the continued membership of India in the Commonwealth and a piece on the importance of protecting Indian interests in neighboring countries Above all Nehru stressed the need to maintain secular values and the urgency of restructuring the economy to meet the demands of free India **Southern African Liberation Struggles** A.
