Raising The Peaceable Kingdom:

Slipping into Paradise Jeffrey Moussaieff Masson, 2008-12-30 In the tradition of *Under the Tuscan Sun* and *A Year in Provence* here is Jeffrey Moussaieff Masson's ode to his personal paradise his adopted home New Zealand After living in California why did Masson settle out of all the places on earth in such a faraway land It turns out that while visiting a beautiful sandy beach just fifteen minutes from bustling Auckland Masson and his family were utterly seduced by the exotic locale There was little deliberation This place surrounded by lush forest on a bay dotted with volcanic islands would be their new home Masson takes readers on a remarkable journey to another world as he and his family slip into the paradise that is New Zealand For anyone who has ever dreamed of finding utopia Masson reveals a country where neighbors talk to one another and provide a sense of real community rarely outside of the big cities locking their doors and where politics are as mellow as the weather New Zealand is also a land of spectacular scenery made even more famous for being the shooting location for the *Lord of the Rings* films The flora is plentiful Mangroves banana plants papaya trees and more than ten thousand species of ferns grow wild and freely The fauna is benign There are no snakes tarantulas or scorpions Children can walk to school barefoot without a care there is nothing to sting them bite them or give them a rash In the blue waters near the lush coastline dolphins and orcas abound While describing his love affair with the country and his affinity for its citizens Masson reflects on the meaning of home the importance of acting on intuition and what happens when we lose our connection to the place we live in Responding to an impulse Masson reveals he realized a dream Featuring a its glossary of phrases used by New Zealanders and important Maori words as well as the author's recommended travel itinerary *Slipping into Paradise* is ideal for anyone planning a visit to this exquisite land Full of photographs delightful anecdotes and little known facts jogging for example was invented in New Zealand *Slipping into Paradise* is also a book for those who fantasize about dramatically changing their lives and who imagine something better for themselves Jeffrey Masson's message New Zealand awaits

Anglo-Jewish Poetry from Isaac Rosenberg to Elaine Feinstein Peter Lawson, 2006 This is the first book length study to survey the phenomenon of twentieth century Anglo Jewish poetry It proceeds by reading established Anglo Jewish poets against the grain of conventional thinking about English verse For example rather than understanding Isaac Rosenberg and Siegfried Sassoon as simply First World War poets it approaches them as minority Anglo Jewish poets as well A similar challenge to the notion of an undifferentiated English literature is made with respect to four other major writers John Rodker 1894 1955 Jon Silkin 1930 97 Elaine Feinstein 1930 and Karen Gershon 1923 93 All these poets share a peripheral relationship with English and Jewish culture together with a common attachment to the diasporic narrative of exile and deferred return to a textually imagined homeland
