Ninian Smart, 2013-12-19 *World Philosophies* presents in one volume a superb introduction to all the world's major philosophical and religious traditions. Covering all corners of the globe, Ninian Smart's work offers a comprehensive and global philosophical and religious picture. In this revised and expanded second edition, a team of distinguished scholars assembled by the editor Oliver Leaman have brought Ninian Smart's masterpiece up to date for the twenty-first century. Chapters have been revised by experts in the field to include recent philosophical developments, and the book includes a new bibliographic guide to resources in world philosophies. A brand new introduction which celebrates the career and writings of Ninian Smart and his contribution to the study of world religions helps set the work in context. **Fifty Key Jewish**

Philosophy of Religion Michael Palmer, 2008 One of the most notable features of the current philosophical climate is the resurgence of interest at school and university in the Philosophy of Religion. With his extensive teaching experience at both these levels, Dr Michael Palmer has created another invaluable aid for all students and instructors working in this area. This two-volume anthology is the most comprehensive compilation of major writings now available to the public, while its user-friendly structure makes it particularly important for students at differing levels of attainment. The book includes comprehensive introductions to each topic, detailed analysis of each essay, biographical information about individual philosophers, wide-ranging bibliographies, and examination questions. The result is the most important aid to study in this area now on the market, which will be an invaluable resource for students, teachers, and the general reader alike. **Archiv für**
