Rape Love And Sexuality The Construction Of Women In Discourse:

Rape, Love, and Sexuality Sylvia Estrada-Claudio, 2002 Estrada Claudio fuses feminist scholarship with Filipino psychology in this important contribution to the study and understanding of sexuality She discusses sexual practices within a framework that recognizes gender and class power relations in Philippine society **Sexuality and the Filipina** Lilia Quindoza Santiago, 2007 *Women's Movements and the Filipina* Mina Roces, 2012-02-29 This book of womens organizations and activism in the Philippines highlights their significant impact on contemporary Philippine society The author explores the ways in which womens activism has initiated change in cultural attitudes toward women by destroying stereotypes and offering alternatives models *Feminist Ethics and the Politics of Love* Feminist Review Collective, 1998 Ethics and love are examined in different situations the contradictions of feminism in Imperial Japan the role of women in miners struggles in the UK and the contemporary politics of abortion in Ireland Review of Women's Studies, 2001 The SAGE Handbook of Gender and Psychology Michelle K Ryan, Nyla R Branscombe, 2013-09-04 The SAGE Handbook of Gender and Psychology is a unique state of the art synthesis of the known work combined with current research trends in the broad field of gender and psychology In the past 35 years academic publications on the subject have increased tenfold and this level of activity as well the diversity of research looks set to increase in the coming years too The time is ideal for a systematic review of the field Contributions come from academics around the world and many different disciplines and as a result multiple perspectives and a diversity of methodologies are presented to understand gender and its implications for behaviour Chapters cover a wide variety of topics theoretical approaches contexts and social issues they also critically examine the key issues and current debates Both advanced students and scholars will find extensive range and depth in the topics covered across the Handbook s 29 chapters Published as a single volume the handbook is aimed at individuals as well as the library market The SAGE Handbook of Gender and Psychology will have mass appeal across the field of psychology including social psychology and gender and psychology as well a number of other subject groups such as gender studies sociology organizational behaviour and political science *Medieval Romance and the Construction of Heterosexuality* L. Sylvester, 2008-07-21 This book interrogates our ideas about heterosexuality through examination of medieval romance narratives Familiar configurations of romantic fiction such as male desire overwhelming feminine reluctance and the aloof masculine hero undone by love derive from this period This book tests current theories of language and desire through stylistic analysis examining transitivity choices and speech acts in sexual encounters and conversations in medieval romances In the context of current preoccupations with gender and sexuality and consent in rape cases this study is of interest to scholars investigating language and sexuality as well as those researching and teaching medieval literature and culture Sexual Violence and the Law in Japan Catherine Burns, 2013-04-15 This book provides a detailed examination of judicial decision making in Japanese cases involving sexual violence It describes the culture of eroticised violence in Japan which

sees the feminine body as culpable and the legal system which encourages homogeneity and conformity in decision making and shows how the legal constraints confronting women claiming sexual assaults are enormous It includes analysis of specific case studies and a discussion of recent moves to address the problem **Toward a New Psychology of Gender** Mary M. Gergen, Sara N. Davis, 2013-11-12 Drawn from a brilliant array of voices primarily from psychology but also from other social sciences and humanities this unique reader of creative and intellectually provocative essays investigates the social construction of gender For the past several decades those involved with the study of the psychology of women and gender have been struggling for recognition within the framework of psychology This volume brings together the writings from psychology philosophy psychoanalysis history women s studies education and sociology that critique mainstream thinking and exemplify new ways of creating inquiry **New Books on Women and Feminism** ,2002 *Humanities Diliman* ,2009
