Rape Of Tamar:

The rape of Tamar (2 Sam 13:1-22) Lydia Einenkel, 2013-09-18 Essay from the year 2010 in the subject Theology Biblical Theology grade 1 7 University of Edinburgh School of Divinity course Old Testament 2 language English abstract Die vorliegende Arbeit thematisiert die Vergewaltigung Tamars durch ihren Halbbruder wie sie in der Hebräischen Bibel 2 Sam 13 1 22 geschildert wird Der Fokus der Analyse liegt auf der Rekonstruktion der Hauptaussage des Textes Dabei wird deutlich dass es sich nicht nur um die Gewaltszene handelt die vordergründig stattfindet Viele Wissenschaftler vertreten die These dass die Vergewaltigung Tamars ein literarisches Mittel ist um den Plot voran zu treiben und eine logische Begründung für nachfolgende Ereignisse zu geben Es geht eigentlich nicht um Tamar sondern um Absalom Die Autorin dieser Arbeit legt den Fokus wieder auf Tamar und beleuchtet mit einer postmodernen Herangehensweise die hintergründigen Ungleichheiten der Gesellschaft vor allem in Bezug auf das Geschlechterverhältnis Die Vergewaltigung Tamars wird so zu einem Sinnbild von einer patriarchalen Kultur und dem Zusammenspiel von Macht und Gewalt The Rape of Tamar Dan Jacobson, 1970

The Rape of Tamar Dan Jacobson, 1980 First-Degree Incest and the Hebrew Bible Johanna Stiebert, 2016-10-20 Incest refers to illegal sexual relations between family members Its precise contours however are culturally specific Hence an illegal incestuous union in one social context may be a legal close kin union in another First degree sexual unions between a parent and child or between siblings are most widely prohibited and abhorred This book discusses all overt and covert first degree incest relations in the Hebrew Bible and also probes the significance of gaps and what these imply about projected sexual and social values As the dominant opinion on the origin of first degree incest continues to be shaped new voices such as those of queer and post feminist criticism have joined the conversation It navigates not only the incest laws of Leviticus and the narratives of Lot and his daughters and of Amnon and Tamar but pursues subtler intimations of first degree sexual unions such as between Adam and his absent but arguably implied mother Haran and Terah's wife Ham and Noah In pursuing the psycho-social values that may be drawn from the Hebrew Bible regarding first degree incest this book will provide a thorough review of incest studies from the early 20th century onward and explain and assess the contribution of very recent critical approaches from queer and post feminist perspectives **Biblischer Kommentar Altes Testament** Walter

Claiming Her Dignity L. Juliana M. Claassens, 2016-10-06 To be human means to resist dehumanization In the darkest periods of human history men and women have risen up and in many different voices said this one thing Do not treat me like this Treat me like the human being that I am Claiming Her Dignity explores a number of stories from the Old Testament in which women in a variety of creative ways resist the violence of war rape heterarchy and poverty Amid the life denying circumstances that seek to attack violate and destroy the bodies and psyches of women men and children the women featured in this book absolutely refuse to succumb to the explicit and at times subtle but no less harmful manifestations of violence that they face

The Rape of Tamar Klaas K. Moswane, 2023 Sexual Consequences Olamide Asekun, 2019-05-08 As a young lady God had to teach me the consequences of sexual sin to get me to a place of repentance and deliverance God reminded me of many men and women in the Bible who lost their destinies families and even their lives because of their disregard for the sanctity of sex and an ignorance of the dire consequences of sexual immorality I also began to trace many generational mistakes to unbridled sexual actions and indiscipline I strongly believe that every human being must know how profound sex is must know the consequences of sexual sin from God's perspective and must then make a choice for sexual purity or the inevitable destructive consequences of sexual sin May the grace of the Lord Jesus help us to live a life pleasing to God

Sexual Transgression in the Hebrew Bible Hilary B. Lipka, 2006 The sex laws of the Hebrew Bible are well known if not notorious From them many have concluded that in ancient Israel adultery was a capital crime that there was no conception of rape that brides had to be virgins and that women had no autonomy whatsoever But was that the reality Not if we broaden our horizon beyond the laws argues Lipka who focusses here on sexual transgression that is the trespass against sexual boundaries She finds three aspects of sexual transgression it may be transgression against religious boundaries sexual acts violating divine law against communal boundaries sexual acts violating the rights of another member of the community or against personal boundaries sexual acts imposed by force and or violence Transgressive sex is complicated But some conclusions are possible 1 Though adultery was universally disapproved of there was a wide variety of opinions on who was considered guilty who was considered the offended party who was punished what the punishment was and who should execute it 2 There was indeed a conception of rape with an understanding of its devastating emotional and psychological consequences for the victim 3 Though virginity in brides was the norm and young women were under a great deal of pressure to preserve their virginity it was unrealistic for all men in ancient Israel to expect their wives to be virgins 4 Women did not enjoy legal autonomy over their sexuality yet they were not completely powerless they had some degree of personal sexual autonomy and some took the liberty of doing with their bodies as they pleased
