Encyclopedia of Victimology and Crime Prevention Bonnie S. Fisher, Steven P. Lab, 2010-02-02 Victimology and crime prevention are growing interrelated areas cutting across several disciplines Victimology examines victims of all sorts of criminal activity from domestic abuse to street violence to victims in the workplace who lose jobs and pensions due to malfeasance by corporate executives Crime prevention is an important companion to victimology because it offers insight and techniques to prevent situations that lead to crime and attempts to offer ideas and means for mitigating or minimizing the potential for victimization In many ways the two fields have developed along parallel yet separate paths and the literature on both has been scattered across disciplines as varied as sociology law and criminology public health and medicine political science and public policy economics psychology and human services and more The Encyclopedia of Victimology and Crime Prevention provides a comprehensive reference work bringing together such dispersed knowledge as it outlines and discusses the status of victims within the criminal justice system and topics of deterring and preventing victimization in the first place and responding to victims needs Two volumes containing approximately 375 signed entries provide users with the most authoritative and comprehensive reference resource available on victimology and crime prevention both in terms of breadth and depth of coverage In addition to standard entries leading scholars in the field have contributed Anchor Essays that in broad strokes provide starting points for investigating the more salient victimology and crime prevention topics A representative sampling of general topic areas covered includes interpersonal and domestic violence child maltreatment and elder abuse street violence hate crimes and terrorism treatment of victims by the media courts police and politicians community response to crime victims physical design for crime prevention victims of nonviolent crimes deterrence and prevention helping and counseling crime victims international and comparative perspectives and more **Mental Health**

and Psychiatric Nursing Janet L. Davies, Ellen Hastings Janosik, 1991 *Maternal & Child Health Nursing* Adele Pillitteri, 2010 Growing research shows that many children from immigrant and refugee families are not doing well in school due in part to linguistic and cultural disadvantages Teaching dual language learners requires cultural sensitivity and understanding of language acquisition and intentional teaching strategies Combining research and techniques this resource helps early childhood educators support dual language learners as they develop the skills necessary for school readiness and success *Professional Guide to Diseases* Lippincott Williams & Wilkins, 2009 Offers a good introduction to the study of diseases Each major entry includes information on the causes signs and symptoms diagnosis and treatments of various diseases Rape and Woman's Identity William B. Sanders, 1980-07 Rape is an assault on a woman's identity reputation and sense of self according to the author Sanders originally intended to study the interaction of police and rape victims but found it necessary to widen the scope of his research to include the legal cultural and social context of rape its typical physical process the reasons for it and its effect on victims What emerges is a study of rape from every possible viewpoint one that leads the author to a discussion of sex role and self in society Altogether this book is eminently readable It is written in a simple comprehensive style very rare in works employing a dramaturgical ethnomethodological approach The chapters and sections are short and peppered *Principles of Ambulatory Medicine* Nicholas H. Fiebach, Lee Randol Barker, John Russell Burton, Philip D. Zieve, 2007 Updated for its Seventh Edition Principles of Ambulatory Medicine is the definitive reference for all clinicians caring for adult ambulatory patients It provides in depth coverage of the evaluation management and long term course of all clinical problems addressed in the outpatient setting A major focus is on preventive care grounded in excellent patient physician communication This edition features increased coverage of preventive care particularly the impact of genetic testing as a disease predictor For easy reference the book is organized by body system and each chapter begins with an outline of key topics References to randomized controlled clinical trials meta analyses and consensus based recommendations are boldfaced *Guidelines for the Treatment of Victims of Suspected Sexual Assault*, 1981
Victimology, 1979 **The Pacific Reporter**, 1898 *Encyclopedia of Rape* Merrill D. Smith, 2004 The first ready reference on a topic of perpetual relevance offers 185 key entries covering the historical scope and magnitude of the issue in the United States and globally **An Examination of Blame Attributions Toward Victims of Sexual Assault** Matthew Alan Marner, 2001 **Criminology & Penology Abstracts**, 1981 *The Southeastern Reporter*, 1898 **South Western Reporter. Second Series**, 1998 **Canada's Mental Health**, 1980 Women's Rights Law Reporter, 1978
