## Netflix Near Me:

**Netflix's Ripley** Joy McEntee, 2025-11-19 This book traces the intertextual genealogy behind Netflix's new series *Ripley* directed by Steve Zaillian and offers a critical examination of Tom Ripley's enduring appeal across different media. As the series quickly climbs Netflix's international charts, this volume provides a timely and insightful contribution to the *Ripleyverse* exploring the character's complex moral and sexual dimensions in today's cultural context. McEntee investigates Ripley's role within the televisual antihero genre engaging with theories from Jason Mittell's *Complex TV* and Margrethe Bruun Vaage's *The Antihero in American Television*. While Andrew Scott's portrayal of Ripley aims to generate empathy, this book contends that traditional frameworks for understanding antiheroes are insufficient. Instead, it introduces Eric Leake's notion of difficult empathy as a more appropriate model for analyzing Scott's Ripley, offering a fresh perspective on the character's moral ambiguity. This contrasts sharply with Anthony Minghella's 1999 adaptation where Matt Damon's Ripley elicited a more straightforward emotional response. Readers will discover a nuanced discussion of how Ripley both adheres to and subverts the conventions of the antihero genre and comments self-reflexively on the process of adaptation. The book invites scholars and students of television studies, film, and literature to engage with these themes, providing a rich resource for understanding the evolving landscape of media narratives. Whether you are a scholar of media studies or a curious reader intrigued by the complexities of modern narratives, this book promises to deepen your understanding of the cultural significance of Tom Ripley's latest iteration. Netflix's Chilling Adventures of Sabrina Stephanie A. Graves, Cori Mathis, Melissa Tyndall, 2023-04-21 This book presents interdisciplinary perspectives on Netflix's *Chilling Adventures of Sabrina*, situating the series within contemporary discourses of genre, form, historical place, ideology, and aesthetics. The essays in this collection argue that the series' unique blend of horror, the Gothic, and melodrama offers a compelling approach to the coming-of-age narrative and makes *CAoS* a significant part of the teen television canon. *EBOOK: Crafting and Executing Strategy: The Quest for Competitive Advantage: Concepts and Cases* Arthur Thompson, Alex Janes, Margaret Peteraf, Ciara Sutton, John Gamble, A. Strickland, 2013-02-16 *Crafting and Executing Strategy* has been revised and updated specifically with its European readers in mind. Building upon the success of previous editions, it continues to explain the core concepts and key theories in strategy and illustrate them with practical managerial examples students can really relate to. Brand new features have been developed to encourage readers to go beyond learning and to apply their knowledge to a diverse range of real-life scenarios including global brands, SMEs, public sector, and not-for-profit organizations. *Communication Perspectives on Popular Culture* Andrew F. Herrmann, Art Herbig, 2016-10-12 Popular culture helps construct, define, and impact our everyday realities and must be taken seriously because popular culture is simply popular. *Communication Perspectives on Popular Culture* brings together communication experts with diverse backgrounds from interpersonal communication, business, and organizational communication, mass communication, media studies, narrative rhetoric, gender

studies autoethnography popular culture studies and journalism The contributors tackle such topics as music broadcast and Netflix television shows movies the Internet video games and more as they connect popular culture to personal concerns as well as larger political and societal issues The variety of approaches in these chapters are simultaneously situated in the present while building a foundation for the future as contributors explore new and emerging ways to approach popular culture From case studies to emerging theories the contributors examine how popular culture media and communication influence our everyday lives

What makes Bodyguard so successful? An intimate viewing

When in due time after watching Netflix's Bodyguard simply didn't fade out of my mind it made me a little uneasy I felt compelled to try and find out what was so compelling in there The investigation then became a bit of an obsession in itself which no doubt ran away with me sometimes turning into some dubious lanes here and there Nonetheless it was enjoyable as I hope it is for you too to read Without knowing the whole first season six hours none of this will make sense to you So watch first then enjoy reading the thematic and psychological theories about it For plot theories or discussion of realism plausibility of the action parts look elsewhere My purpose was to look for meaning staying in the characters' points of view for a lot of the time rather than to find fault The meaning offered by a completed work is usually not identical with what was intended by its makers And meaning doesn't always emerge by design sometimes things just fall into place Every interpretation that's well reasoned is justified and can be challenged by further argument This is just one viewer's view

**Summary**

**Part I** The main character p. 2 assumes that underneath the bodyguard's professional demeanor there is a very sensitive and even childlike soul and it shows up in his body quite a lot if you know where to look We delve into reading the bodyguard's mind and body and end up being a bit unsure about who protects whom here but being a lot surer about our humanity

**Part II** The relationship p. 11 tries to draw near to what gets this unlikely pair together at all a theory being that for him it is a very bodily need but not primarily a sexual one associated with his stress disorder This part further points out that their relationship is visually described by two beautifully handled guiding themes the touch of their hands and their partly only symbolic embraces

**Part III** The finale p. 21 describes a striking analogy between the bomb vest around David's body and his inner mental powder keg of trauma hurt and the stress of covering it up It deals with death tombs and the underworld a bit like in Greek drama and after having been there getting back to life
