Dare to Speak Suzanne Nossel, 2020-07-28 A must read Margaret Atwood A vital necessary playbook for navigating and defending free speech today by the CEO of PEN America Dare To Speak provides a pathway for promoting free expression while also cultivating a more inclusive public culture Online trolls and fascist chat groups Controversies over campus lectures Cancel culture versus censorship The daily hazards and debates surrounding free speech dominate headlines and fuel social media storms In an era where one tweet can launch or end your career and where free speech is often invoked as a principle but rarely understood learning to maneuver the fast changing treacherous landscape of public discourse has never been more urgent In Dare To Speak Suzanne Nossel a leading voice in support of free expression delivers a vital necessary guide to maintaining democratic debate that is open free wheeling but at the same time respectful of the rich

diversity of backgrounds and opinions in a changing country Centered on practical principles Nossel's primer equips readers with the tools needed to speak one's mind in today's diverse digitized and highly divided society without resorting to curbs on free expression At a time when free speech is often pitted against other progressive axioms namely diversity and equality Dare To Speak presents a clear-eyed argument that the drive to create a more inclusive society need not and must not compromise robust protections for free speech Nossel provides concrete guidance on how to reconcile these two sets of core values within universities on social media and in daily life She advises readers how to Use language conscientiously without self-censoring ideas Defend the right to express unpopular views And protest without silencing speech Nossel warns against the increasingly fashionable embrace of expanded government and corporate controls over speech warning that such strictures can reinforce the marginalization of lesser heard voices She argues that creating an open market of ideas demands aggressive steps to remedy exclusion and ensure equal participation Replete with insightful arguments colorful examples and salient advice Dare To Speak brings much needed clarity and guidance to this pressing and often misunderstood debate

Brandweek ,2010 **The Shrinkology Solution** Meg Arroll,Louise Atkinson,2018-05-31 So many diet books focus solely on the food and not nearly enough on the psychology of why we eat what we do and how to use simple hacks to overcome temptation This is where The Shrinkology Solution comes in a strong and original idea from two very smart and knowledgeable authors Dr Michael Mosley author of The Clever Guts Diet This book has a wealth of weight loss wisdom based on huge experience and common sense A revelation Dr Xand Van Tulleken author of How to Lose Weight Well In a world where we are tempted by food on every street corner on every billboard and all over our social media is it any wonder so many of us struggle with weight loss and sticking to diets What if we started thinking about the psychology of dieting and eating rather than just the food on our plates The Shrinkology premise is super simple in order to achieve lasting weight loss you need to start addressing your emotional issues with food rather than simply going after every fad diet Offering an in depth psychological quiz which will reveal which type of eater you are and tailored life and food hacks for each type this is the last diet book you will ever need *Franchise Times* ,2010 *Three Christmas Wishes* Sheila Roberts,2016-10-25
