## **Pumpkin Spice Doorbuster How To:**

Culture and Customs of the United States Benjamin F. Shearer, 2007-12-30 American life and culture is truly unique in that it was born from many other cultures around the world When immigrants migrated to the Land of Opportunity they brought with them pieces of their own heritage foods religions holidays festivals music and art just to name a few Through time these customs have developed into what we now know as American life Explore how even within the US various cultures and customs differ from New England to the Midwest to the Pacific Discover how many religions are practiced all over the country and how each sect differs in its celebration Learn how gender plays an important role in American society and how things have changed and progressed in the past century Readers will learn about American holidays religious federal and even those fabricated by Hallmark and television Sports leisure activities and fashion also play a major role in American culture as discussed in this all encompassing work Discover how American cuisine has evolved from other cultures such as Italian Greek Mexican Chinese Indian and West Africa and how each region has its own indigenous dishes including New England clam chowder Southern jambalaya and Mid western lutefisk Contemporary and classic literature is also discussed along with the evolution of poetry Readers will learn about the development of mass media as well as the growth of cinema and films from the first silent film to today s popular blockbuster trilogy Pirates of the Caribbean Music and dance are also discussed in detail covering the New York Philharmonic to Woodstock Contemporary art and architecture is discussed as well as types of housing across all the regions of the U S This unique two volume addition to the Culture and Customs of the World series gives high school students both national and international the chance to examine the United States from the outside in The mosaic of American culture comes to life in this expansive yet detailed study of what makes the United States a complex blend of customs and traditions Each volume in this comprehensive two volume study offers chapters that detail how American life was born and how it has grown covering the history of customs as well as how traditions are now celebrated in New England the South the Midwest the Pacific Northwest and the Southwest as well as Alaska and Hawaii Narrative chapters include the following     The Year without a Purchase Scott Dannemiller, 2015-08-04 The Year without a Purchase is the story of one family s quest to stop shopping and start connecting Scott Dannemiller and his wife Gabby are former missionaries who served in Guatemala Ten years removed from their vow of simple living they found themselves on a never ending treadmill of consumption where each purchase created a desire for more and never led to true satisfaction The difference between needs and wants had grown very fuzzy and making that distinction clear again would require drastic action no nonessential purchases for a whole year No clothes no books no new toys for the kids If they couldn t eat it or use it up within a year toilet paper and shampoo for example they wouldn t buy it Filled with humorous wit curious statistics and poignant conclusions the book examines modern America s spending habits and chronicles the highs and lows of dropping out of our consumer culture As the family bypasses the checkout line to wrestle with the challenges of gift giving child

rearing and keeping up with the Joneses they discover important truths about human nature and the secret to finding true joy  
The Year without a Purchase offers valuable food for thought for anyone who has ever wanted to reduce stress by shopping less and living more     Авантюрный Английский Язык: самоучитель - путеводитель.
