## **World Series Latest Buy Online:**

Toxic Masculinity, Casino Capitalism, and America's Favorite Card Game Andrew Manno, 2020-02-19 Poker is a centuries old American game Why has it become so popular in the twenty first century What does current interest in the game tell us about ourselves and some of our most pressing social issues In this timely and thought provoking book Andrew Manno offers important insights into the intersection of gaming gender and capitalism that illuminate how the shift to a casino capitalist economy combined with a culture of toxic masculinity impacts workers and how it has led to the rise of populism in the United States that manifested in the 2016 election of Donald Trump

Playing for a Winner Brandon Isleib, 2017-01-10 He never felt like a Hall of Famer You can't argue with championships If he was so good why were his teams so bad On talk shows and in sports bars statements like these are often made about both underrated and overrated players It's generally accepted that being in a bigger market or on a winning team can cause a player to be overrated while the opposite can leave them underrated Examining pennant races to show how much attention a team receives and which teams are getting the most attention provides a context to this familiar commentary This book studies the effects of the sports media spotlight and its absence on the fortunes of teams in pennant races and Hall of Fame inductees Along the way the author brings to light accomplished players most non fans have probably never heard of

*Scandal on the South Side* Jacob Pomrenke, 2015-06 The Black Sox Scandal is a cold case not a closed case When Eliot Asinof wrote his classic history about the fixing of the 1919 World Series *Eight Men Out* he told a dramatic story of undereducated and underpaid Chicago White Sox ballplayers disgruntled by their low pay and poor treatment by team management who fell prey to the wiles of double crossing big city gamblers offering them bribes to lose the World Series to the Cincinnati Reds Shoeless Joe Jackson Buck Weaver Eddie Cicotte and the other Black Sox players were all banned from organized baseball for life But the real story is a lot more complex We now have access to crucial information that changes what we thought we knew about baseball's darkest hour including rare film footage from that fateful fall classic legal documents from the criminal and civil court proceedings and accurate salary information for major league players and teams All of these new pieces to the Black Sox puzzle provide definitive answers to some old mysteries and raise other questions in their place However the Black Sox Scandal isn't the only story worth telling about the 1919 Chicago White Sox The team roster included three future Hall of Famers a 20 year old spitballer who would go on to win 300 games in the minor leagues and even a batboy who later became a celebrity with the Murderers Row New York Yankees in the 1920s All of their stories are included in *Scandal on the South Side* which has full life biographies on each of the 31 players who made an appearance for the White Sox in 1919 plus a comprehensive recap of Chicago's pennant winning season the tainted World Series and the sordid aftermath This book isn't a rewriting of *Eight Men Out* but it is the complete story of everyone associated with the 1919 Chicago White Sox The Society for American Baseball Research invites you to learn more about the Black Sox Scandal and the infamous team at the center of it all With
