Reproduction of the original Wellington s Army 1809 1814 by Charles William Chadwick Oman **Marriage and the British Army in the Long Eighteenth Century** Jennine Hurl-Eamon, 2014-02-27 The Girl I Left Behind Me addresses a neglected aspect of the history of the Hanoverian army From 1685 to the beginning of the Victorian era army administration attempted to discourage marriage among men in almost all ranks It fostered a misogynist culture of the bachelor soldier who trifled with feminine hearts and avoided responsibility and commitment The army s policy was unsuccessful in preventing military marriage By concentrating on the many soldiers wives who were unable to win permission to live on the strength of the regiment entitled to half rations and travel with their husbands this title explores the phenomenon of soldiers who persisted in defying the army s anti marriage initiatives Using evidence gathered from ballads novels court and parish records letters memoirs and War Office papers Jennine Hurl Eamon shows that both soldiers and their wives exerted continual pressure on the state through evocative appeals to officers and civilians fuelled by wives pride in performing their own military duty at home Respectable companionate couples of all ranks reflect a subculture within the army that recognized the value in Enlightenment femininity Looking at military marriages within the telescoping contexts of the state their regimental and civilian communities and the couples themselves The Girl I Left Behind Me reveals the range of masculinities beneath the uniform the positive influence of wives and sweethearts on soldiers performance of their duties and the surprising resilience of partnerships severed by war and army anti marriage policies **The personal narrative of a private soldier, who served in the Forty-Second Highlanders, for twelve years, during the later war** Anon, 1996  
Private Soldier in the 42nd Highlanders **Wellington's Army 1809-1814** Charles Oman, 1968 **Highland Furies** Victoria Schofield, 2012-04-26 As the oldest of the Highland Regiments The Black Watch has an enviable roster of Battle Honours and a mystique born of repeated service on behalf of King Queen and country On the strength of her acclaimed biography of Field Marshal Earl Wavell the regimental trustees commissioned Victoria Schofield to write this the first volume of her magisterial history of the The Black Watch and have fully cooperated with her as she traces the story of the Regiment from its early 18th century beginnings through to the eve of the South African War at the end of the 19th century Originating

as companies of highland men raised to keep a watch over the Highlands of Scotland they were formed into a regiment in 1739 Its soldiers would go on to fight with extraordinary bravery and lan in almost every major engagement fought by the British Army during this period from the American War of Independence the Peninsular Wars Waterloo the Crimea Indian Mutiny to Egypt and the Sudan Drawing on diaries letters and memoirs Victoria Schofield skilfully weaves the multiple strands of this story into an epic narrative of a valiant body of officers and men over one and a half centuries In her sure hands the story of The Black Watch is no arid recitation of campaigns dates and battle honours but is instead a rich and compelling record of the soldier s experience under fire and on campaign It is also a celebration of the deeds of a regiment that has played a unique role in British history and a vivid insight into the lives of the many remarkable figures who have marched and fought so proudly under its Colours
