Perspectives On Contemporary Statistics:

Major Statistical Series of the U.S. Department of Agriculture: International agricultural statistics (October 1987) United States. Department of Agriculture. Economic Research Service, 1987 *Perspectives on Contemporary Statistics* David Caster Hoaglin, David S. Moore, 1992 This book is a must for anyone who teaches statistics particularly those who teach beginning statistics mathematicians social scientists engineers as well as graduate students and others new to the field The authors focus on topics central to the teaching of statistics for beginners and other expositions that are guided by the current state of statistical research and practice Statistical practice has changed radically during the past generation under the impact of ever cheaper and more accessible computing power Beginning instruction has lagged behind the evolution of the field Software now enables students to shortcut unpleasant calculations but this is only the most obvious consequences of changing statistical practice the content and emphases of statistics instruction still needs much rethinking This volume assembles nine new essays on important topics in present day statistics at the college with various levels of mathematics preparation and from diverse disciplinary backgrounds Accordingly the chapters present modern perspectives on central aspects of statistics and emphasize the conceptual content that should accompany all varieties of beginning instruction The books opens with a contemporary overview of statistics as the science of data a view much broader than the inference from data emphasized by much traditional teaching The next two chapters discuss the philosophy and some of the tools used in data analysis and describe the impact of computing on data analysis and inference and its implication for teaching The book concludes with introductions to diagnostics and to the alternative approach embodied in resistant and robust procedures from back cover **Statistics of Income** , 1981 **Major Statistical Series of the U.S. Department of Agriculture** , 1987 Modern Perspective William Robert Ware, 1882 Major Statistical Series of the U.S. Dept. of Agriculture Harry Hays Harp, 1990 **Agriculture Handbook** , 1987 Set includes revised editions of some issues
