Perspectives On Islamic Law Justice And Society:

Perspectives on Islamic Law, Justice, and Society R S. Khare, 1999-08-28 This book provides an accessible introductory discussion of issues in Islamic law justice and society At the center of the volume is a discussion of some interrelated theological historical legal and practical issues facing Islamic law in such different countries and regions as Algeria Morocco South Africa and South Asia This will be a valuable book for students and scholars of Middle Eastern studies law and history *Facetten islamischer Welten* Mechthild Rumpf, Ute Gerhard, Mechthild M. Jansen, 2015-09-15 Mit Blick auf die Geschlechterverhältnisse wird der Islam häufig als modernitätsfeindliches religiöses und kulturelles System verstanden und einem westlichen Emanzipationsverständnis gegenübergestellt Die Beiträge dieses Bandes zeigen wie unverzichtbar differenzierende und interdisziplinäre Perspektiven sind die sich auf die Vielfalt des Islam auch in Europa seine unterschiedlichen religiösen Strömungen Lebensformen und Vorstellungen von Geschlechterordnungen richten Diskutiert wird die Beziehung zwischen Islam Geschlecht und Menschenrechten Dabei kommt das Potenzial der reform islamischen Ansätze zur Sprache die nicht nur eine Herausforderung für die politischen Richtungen des Islam darstellen sondern sich auch am Konzept der Gleichheit bei der Auslegung des islamischen Rechts im Hinblick auf die Geschlechterverhältnisse orientieren

Intent in Islamic Law Paul R. Powers, 2006 This is the first broad study of the treatment of intent in Islamic law examining ritual commercial family and penal law and providing new insights into Muslim understandings of law religious ritual action agency and language **An Introduction to Islamic Law** Wael B. Hallaq, 2009-07-09 The study of Islamic law can be a forbidding prospect for those entering the field for the first time Wael Hallaq a leading scholar and practitioner of Islamic law guides students through the intricacies of the subject in this absorbing introduction The first half of the book is devoted to a discussion of Islamic law in its pre modern natural habitat The second part explains how the law was transformed and ultimately dismantled during the colonial period In the final chapters the author charts recent developments and the struggles of the Islamists to negotiate changes which have seen the law emerge as a primarily textual entity focused on fixed punishments and ritual requirements The book which includes a chronology a glossary of key terms and lists of further reading will be the first stop for those who wish to understand the fundamentals of Islamic law its practices and history

An Islamic Court in Context E. Stiles, 2009-10-26 Stiles utilizes in depth ethnographic study of judicial reasoning and litigant activity in Islamic family court in Zanzibar Tanzania to draw new and important conclusions on how people understand and use Islamic legal ideas in marital disputes Der Islam im öffentlichen Recht des säkularen Verfassungsstaates Stefan Muckel, 2008 Der Islam wirft in Deutschland nach wie vor eine Vielzahl von Rechtsproblemen auf die nicht oder nicht zufriedenstellend gelöst sind Damit das Problemfeld zumindest in einem Teilbereich der Rechtsordnung dem öffentlichen Recht systematisch untersucht werden konnte hat die Deutsche Forschungsgemeinschaft Mittel für ein Forschungsprojekt bereit gestellt das in der Zeit von 2003 bis 2007 am Institut für Kirchenrecht der Universität zu Köln

durchgeführt wurde und dessen Ergebnisse mit diesem Band vorgelegt werden. Auf der Grundlage von Überlegungen zu islamischen Vorstellungen über Recht, Staat und Religion untersuchten die Autoren einzelne Gebiete des deutschen öffentlichen Rechts, aber auch seiner völker- sowie europarechtlichen Bezüge, auf denen der Islam hierzulande in den letzten Jahren immer wieder zu Schwierigkeiten geführt hat. Dabei wurde deutlich, dass in allen Gebieten angemessene Lösungen für rechtliche Probleme möglich sind. Die Beteiligten an diesem Buch stellen Inhalt und Schranken der Religionsfreiheit aus Art 4 GG in einer Weise heraus, die einerseits den legitimen religiösen Interessen der Muslime in Deutschland Rechnung trägt, aber andererseits auch ihre Bindung an die allgemeinen Gesetze aufrecht erhält. Gerade dies wird in der Literatur nicht selten gefordert, wenn der Wege zu einer verbesserten Integration von Muslimen in die deutsche Gesellschaftsordnung nachgedacht wird.

Studies in Islamic Law and Society, 1996 **Index Islamicus**, 2007 **Yearbook of Islamic and Middle Eastern Law, Volume 12 (2005-2006)** Eugene Cotran, Martin Lau, 2007-12 Practitioners and academics dealing with the Middle East can turn to the Yearbook of Islamic and Middle Eastern Law for an instant source of information on the developments over an entire year in the region. The Yearbook covers Islamic and non-Islamic legal subjects including the laws themselves of some twenty Arab and other Islamic countries. The publication's practical features include articles on current topics, country surveys reflecting important new legislation and amendments to existing legislation, per country the text of a selection of documents and important court cases, a Notes and News section and book reviews.

Dalhousie Journal of Legal Studies, 2000 *Europa ohne Gott?* Michael H. Weninger, 2007 Der Band befasst sich mit einem zentralen und hochaktuellen Thema gegenwärtiger politischer Ethik: dem Verhältnis von politischen und kirchlichen Institutionen im Rahmen der Europäischen Union. Ziel ist die gegenwärtigen Formen, Grenzen und Möglichkeiten der institutionellen Einbindung der Religionen, Kirchen und Weltanschauungsgemeinschaften in die EU darzustellen. In Anbetracht der aktuellen Debatte um den Verfassungsvertrag wird der religionspolitische Beitrag für die Weiterentwicklung der EU und die Zukunft Europas thematisiert. Diese Fragestellung ist auch deshalb von entscheidender Bedeutung, weil die europäischen Institutionen eine aktive Beteiligung der Bürger und Bürgerinnen der Mitgliedstaaten, die sich gerade auch über kirchliche, religiöse wie zivilgesellschaftliche Vereinigungen vollzieht, für ihr Funktionieren voraussetzt. Eine solche aktive Teilnahme am Integrationsprozess kann auch wesentlich zur Bildung einer neuen, vielleicht überhaupt ersten genuinen europäischen Identität beitragen, die als Grundlage für das Funktionieren des komplexen Regelwerks der EU heute mehr denn je notwendig ist.

Michael H. Weninger übt seit Jahren die Funktion des politischen Beraters des Präsidenten der Europäischen Kommission für eben diesen Dialog aus.

Missionalia, 2006 Contains abstracts of missiologically contributions, book reviews and articles.

The American Journal of Islamic Social Sciences, 2002 **The Law Applied** Peri Bearman, Wolfhart Heinrichs, Bernard G. Weiss, 2008-01-30 A sea change has taken place in Islamic legal studies. This book both reflects and contributes to that change. Traditionally, scholars in this field have tended to focus on law as a body of rules and doctrines as

fiqh This volume is more interested in how the law has been applied to concrete situations It looks at judicial decision making legal responses fatwas customary practices the actions of public inspectors cultural contexts and theological discourses as well as modern legal reform and constitutional development Reflecting the interests of a new academic generation The Law Applied offers an ambitious and textured account of how Islamic law works in practice in the social life of the contemporary world *Journal of South Asian and Middle Eastern Studies* ,2004 **Islamic Perspectives on International Conflict Resolution** Shameer Modongal,2022-12-30 Upturning the traditional view of religion as a source of conflict this book studies Islamic perspectives of international conflict resolution re interpreting the possibility of Israel Palestine reconciliation beyond traditional secular frameworks Beginning with an analysis of both classical and modern Islamic texts the book provides a theoretical overview of Islamic conflict resolution before exploring the Israel Palestine conflict in its historical social and political dimensions This framework allows for a real world examination of Islamic conflict resolution in the context of Israel Palestine theological debates The author also critically assesses differing ideological and political views among Islamic scholars divided by those supporting and those opposing a peace treaty between Israel and Palestine Ultimately it is argued that neglecting religion misses the opportunity to inject the spiritual dimension needed for reconciling the Israelis and Palestinians The book s multi disciplinary approach will be of interest to a range of academics and policymakers including those involved in International Relations and Islamic Studies However its accessible prose and engaging content will also appeal to undergraduates and general readers interested in Middle Eastern politics **Hastings International and Comparative Law Review** ,2005 Recent Acquisitions Ohio State University. College of Law. Library,1989 *Aus Politik und Zeitgeschichte* ,2016 Dokumentationsdienst Vorderer Orient ,2001

The Enigmatic Realm of **Perspectives On Islamic Law Justice And Society**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Perspectives On Islamic Law Justice And Society** a literary masterpiece penned by way of a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those who partake in its reading experience.
