Oshenerth Alan Dean Foster,2015-12-09 An epic fantasy that takes place entirely underwater In this adventure under the sea Oshenerth Blue Magic New York Times bestselling author Alan Dean Foster Alien Star Wars Force Awakens uses his extensive knowledge and experience from diving and traveling to bring to life the mysterious world of reef dwellers under the sea in an imaginative fascinating new epic fantasy that takes place entirely underwater Best friends Chachel and Glint a merson and a cuttlefish are returning from a shark hunt when they stumble upon an unconscious female demon Taking her back to their reef community to recover while they decide what to do with her they wind up stumbling into a unique friendship one which will change their lives and community for better as the reef dwellers and the demon together fight to preserve themselves and their way of life in the face of enemies and their blue magic **Aesthetic Sexuality** Romana

Byrne,2013-11-28 To understand why the concept of aesthetic sexuality is important we must consider the influence of the first volume of Foucault's seminal *The History of Sexuality* Arguing against Foucault's assertions that only scientia sexualis has operated in modern Western culture while ars erotica belongs to Eastern and ancient societies Byrne suggests that modern Western culture has indeed witnessed a form of ars erotica encompassed in what she calls aesthetic sexuality To argue for the existence of aesthetic sexuality Byrne examines mainly works of literature to show how within these texts sexual practice and pleasure are constructed as having aesthetic value a quality that marks these experiences as forms of art In aesthetic sexuality value and meaning are located within sexual practice and pleasure rather than in their underlying cause sexuality's raison d'être is tied to its aesthetic value at surface level rather than beneath it Aesthetic sexuality Byrne shows is a product of choice a deliberate strategy of self creation as well as a mode of social communication Publications
