Pushkin A Collection Of Articles Essay:

Pushkin Aleksandr Sergeevich Pushkin, 1939 **Pushkin. A Collection of Articles and Essays on the Great Russian Poet A.S. Pushkin. [With Plates, Including Portraits.].** RUSSIA Union of Soviet Socialist Republics. Vsesoiĭuznoe Obshchestvo Kul'turnoi Sviāzi Zagranit'seĭ, 1939 Literary Biographies in The Lives of Remarkable People Series in Russia , Ludmilla A. Trigos, Carol Ueland, 2022-03-14 The legendary Russian biography series The Lives of Remarkable People has played a significant role in Russian culture from its inception in 1890 until today The longest running biography series in world literature it spans three centuries and widely divergent political and cultural epochs Imperial Soviet and Post Soviet Russia The authors argue that the treatment of biographical figures in the series is a case study for continuities and changes in Russian national identity over time Biography in Russia and elsewhere remains a most influential literary genre and the distinctive approach and branding of the series has made it the economic engine of its publisher Molodaia gvardiia The centrality of biographies of major literary figures in the series reflects their heightened importance in Russian culture The contributors examine the ways that biographies of Russia's foremost writers shaped the literary canon while mirroring the political and social realities of both the subjects and their biographers times Starting with Alexander Pushkin and ending with Joseph Brodsky the authors analyze the interplay of research and imagination in biographical narrative the changing perceptions of what constitutes literary greatness and the subversive possibilities of biography during eras of political censorship **A History of Russian Literature** Andrew Kahn, Mark Naumovich Lipovetskiĭ, Irina Reyfman, Stephanie Sandler, 2018 Russia possesses one of the richest and most admired literatures of Europe reaching back to the eleventh century A History of Russian Literature provides a comprehensive account of Russian writing from its earliest origins in the monastic works of Kiev up to the present day still rife with the creative experiments of post Soviet literary life The volume proceeds chronologically in five parts extending from Kievan Rus in the 11th century to the present day The coverage strikes a balance between extensive overview and in depth thematic focus Parts are organized thematically in chapters which a number of keywords that are important literary concepts that can serve as connecting motifs and case studies in depth discussions of writers institutions and texts that take the reader up close and Visual material also underscores the interrelation of the word and image at a number of points particularly significant in the medieval period and twentieth century The History addresses major continuities and discontinuities in the history of Russian literature across all periods and in particular bring out trans historical features that contribute to the notion of a national literature The volume's time range has the merit of identifying from the early modern period a vital set of national stereotypes and popular folklore about boundaries space Holy Russia and the charismatic king that offers culturally relevant material to later writers This volume delivers a fresh view on a series of key questions about Russia's literary history by providing new mappings of literary history and a narrative that pursues key concepts rather more than individual authorial careers This holistic narrative

underscores the ways in which context and text are densely woven in Russian literature and demonstrates that the most exciting way to understand the canon and the development of tradition is through a discussion of the interrelation of major and minor figures historical events and literary politics literary theory and literary innovation Dictionary Catalog of the Schomburg Collection of Negro Literature & History Schomburg Collection of Negro Literature and History,1962
